

Minutes of EAA Chapter 658 Membership Meeting 8 March 2023, from 6:00 to 8:00 p.m.

Venue: Room 102, Robertson Aviation Safety Building I, Embry Riddle Aeronautical University, on Dobberteen Dr. in Prescott, AZ

Officers present: Lance Leighnor (President), Dakota Krock (Vice President), Jeff Hall (Secretary)

Members present: Mike Turner, Michael Grisham, Rick Eichmann, Bob Sell, Jay Henderson, Russ Hegarty, John Halvorson, Lee Utterback, John Bauer, Chip Fleming, Bill Yendrzeski, Mark Alpert, Jacob Alpert, James Jones, Duncan Ketcher, Daryl Austermilller, Rain Ojehomon

Guests: Scott Johnson

1. Lance Leighnor called the meeting to order shortly after 6:00 p.m.
2. Jeff Hall gave the Secretary's report.
 - a. 47 active members and 13 expired members.
 - b. Dues must be received by the end of March. Unpaid members will be removed from the mailing list and classified as inactive in the roster.
 - c. EAA 658 Chapter website is now online at eaa658.org.
 - d. Bill DeRouchev has donated numerous items to the Chapter and are in the storage shed.
 - e. A storage shed clean up is planned for April.
 - i. Jay Henderson volunteered to help.
3. Jerry Breeyear has submitted the Treasurer's report to the Chapter's Google drive.
 - a. Checking account balance is \$2921.66.
 - b. \$315.00 in deposits received since the last report.
 - c. Savings account balance is \$9113.30.
 - d. No outstanding checks.
4. Lance made the following announcements:
 - a. Our first Young Eagles event scheduled for March 18th, 2023 is postponed because there is not enough time to notify EAA for insurance purposes.
5. Builder reports:
 - a. Duncan Ketcher has been enjoying flying his Sonex.
 - b. Chip Fleming briefed the members on the latest Service Bulletin from Van's Aircraft concerning possible cracking in the rear horizontal stabilizer spar. He has been collecting data on VansAirForce.net and has observed that a majority of the planes with cracks are tailwheel aircraft.
6. Bill Yendrzeski requested the club donate an additional \$400 to cover unanticipated costs of sending Jacob Alpert to EAA Air Academy. A motion was made and seconded by Rick Eichmann. Motion carried.
7. Jeff Hall demonstrated the Chapter's new website. There was interest by the members to add sections for member profiles and pictures.
8. Scott Johnson presented a talk on the accident he had in his Cessna 182. The cause was due to wrinkles in the fuel bladders trapping water. The investigation by the NTSB led the FAA to issue an Airworthiness Directive to correct the problem.
9. Lance adjourned the meeting shortly before 8:00 p.m.

Respectfully submitted,

Jeff Hall

Secretary, EAA Chapter 658
