Jason Cutter Helicopters - Common Questions and Myths

Topics such as:

- Life is like a helicopter
 - I don't know how to operate a helicopter.
- I didn't say I was smarter than you.
 - I said I was a "Helicopter Pilot". It's implied...
- Helicopters do not fly
 - They beat the air into submission.

Seriously, this will be a fantastic presentation and with good weather, I suspect Jason will fly one over for us to look at.
