

# EAA Chapter 67 Christmas Dinner Monday, December 4, 2023

We will have the Chapter 67 Christmas Dinner in the Stearman Hangar at the Noblesville Airport on Monday, December 4, 2023. A social hour will start at 6:00 PM with the meal starting at 7:00 PM. Visit <http://www.eaa67.org/> if you need directions.

The Chapter will provide the main course of ham. We ask that you bring a side dish or dessert. We are suggesting the following:

- If your last name starts with A-L then bring a side dish
- If your last name starts with M-Z then bring a dessert

This does not have to be a hard rule if you have a favorite you like to make!

Family, friends, children, other chapters, and all aviation enthusiasts are welcome!

**Please RSVP by December 2nd using the link below.** We are just trying to get a rough idea on numbers. If you find you have forgotten to do so that evening, come anyway!

Nick Boland  
President  
EAA Chapter 67

---

December 5, 2022 - What a great gathering we had last year!

---

## EAA Air Academy 2024

As you may have heard Vance's presentation during our last gathering, we use Young Eagle rally credits to send youth to EAA Air Academy in Oshkosh.

- This year Air Academy will be July 26-August 3, 2024.
- We currently have two spots saved for the chapter.
- The cost is \$1,650 per youth.
- However, that cost would be reduced using our rally credits.

If your child is interested, please let Brittany know. If we have more than two interested youth, then the board will decide who to send.

---

## November 2023 Meeting Minutes

## **November 6, 2023 Minutes**
