The Young Eagle coordinators (Allan, Brittany, and Rick) need to firm up those dates/times as and discuss potential additional events. We need to get these events on the EAA national website. Our business cards for Young Eagles need to be updated as the old ones refer to the YEDay website, which is no longer operational.

Main Meeting

Jim Ginder and his Supervisor Jason LeMaster

(jason.lemaster@hamiltoncounty.in.gov) 317-776-8500 from the Hamilton County Health Department gave an overview on CPR and the use of AED equipment. The Health Department is providing an AED machine to the Noblesville Airport. At least two regular members need to be trained on the use of this equipment and hold current CPR certification.

This was a very informative discussion. A lot has changed in CPR methods since this writer was last trained. We discussed a group training session for interested members. The class is 2.5-3 hours. Also included is “Stop the Bleed” training and Stop the Bleed Kits. Brad Beaver and Nick will follow up on this training opportunity. Stay tuned...
