The Pursuit Institute

Annessa Miller thought this might be of interest to some of our members. The following was received from Rebecca Johnson, Program Coordinator, rjohnson@thepursuitinstitute.org

TPI has partnered with LIFT, Ivy Tech and all Hamilton County high schools to offer an Aviation Management program to juniors and seniors. I have attached our curriculum guide and a one page flyer that summarizes the program.

Next school year, the class will meet from 1:00-3:00 on school days at the brand new YMCA building in Westfield.

If you have any questions, please let me know! If you are interested in the program, please talk to your high school counselor and they will be able to help you get registered and make sure it fits into your schedule!
