Program 7:00 PM

Brittany Moon - The Blue Angles

Brittany will tell us about her once in a life-time opportunity to fly in the back seat of #7. She flew as slow as 80, as fast as 700, and pulled 7.6 G's at one point. Lots of exclusive behind the scene stories.

Family and friends were there to see her fly.

Lots of congratulations when it is over. And finally, a photo op with the airplane she first started training in to get her pilot certificate.
