## **Business 6:00 PM**

This is where we take care of official business. All are welcome but there are many who do not find this of much interest. Often people will wait and join us for the Pitch-In or the Program.

- **Call to order**
- **Approval of Minutes**
- **Reports of Officers**
- **Other business**

We will have a continued discussion on how to best organize the pitch-in.

---

## **Pitch-In 6:30 PM**

The main course is brought by one or more volunteers. They are reimbursed for the cost of food materials. Pitch-In means other people bring a side dish, desert, or contribution of some sort. We have bottled water or you can bring your own drink. **If this is your first time, or you are a guest, or presenter**, then just come

and enjoy a meal with us.

January: Jeanette brought Lasagna.

February: Nick will bring Meatballs (just meatballs).

This organization has a rich history and was organized in 1933. They focus on presentations and have had many noted guest speakers over the years.
