Meeting Minutes - February 2025

Business Meeting Minutes

- Nick Boland called the meeting to order at 6:00PM
 - The January meeting was snowed out.
 - Several commented that the December pitch-in/party was a great event
 - Robert Goudreau presented the **Chapter financial statements**. During January the Chapter collected \$1,122 in donations and membership dues and paid EAA National dues and insurance. Net Revenue for the month was \$481. The chapter has \$17,503 cash plus the L3 Aeronca. We have accrued \$2,221 in liabilities for Ray Aviation Scholarship activities
 - There was no **Old Business** nor **New Business** to discuss.
 - Considerable progress has been made on the **Chapter L-3**. Steel frame has been cleaned, primed and painted. The Horizontal stabilizer is well underway, The Chapter is looking at purchasing a C65 block.
-

- The **Young Eagles** team is considering moving the two Young Eagles events to the Sunday after our Pancake Breakfast, starting late morning. There was considerable discussion on this issue. Weather has been a factor for these two events. Later flights can encounter higher winds and bumpier rides. The Young Eagles Team is also considering additional events. More to come.
 - The **YEday.org** site now redirects to EAAChapters.org. You can also navigate to the Young Eagle site through EAA.org under the [Youth tab](#).
 - Nick reported that the Chapter has not applied for any Ray Scholarships this year. We currently have two active Ray Scholar: Grace and Riley. We can consider an application if someone in the Chapter would like to shepherd the process. **NOTE - We checked and there are no more scholarships available this year.**
