Pancake Breakfast Debrief

Always some room for improvement, but let's also talk about the great things that happened!

Oshkosh Discussion

It's only a few weeks away. How to get there, where to stay, flying in, and places to visit.

- Did you know there is a way for a some aircraft (like our Champ) that qualify to get a timed arrival spot with the runway held open just for you? No, it's not an IFR clearance! I will be describing this little used arrival procedure that keeps certain aircraft out of the conga line.

Buy/Sell/Trade

If you have something to buy/sell/trade then give this email a reply and I will forward.

Recent Activities

From our June 3 Gathering, Robert Haynes talks about stall / spin training.

L-3 Project - working on the cowling pieces.

We need to remount the firewall and engine to fit the pieces.
