<b>SEPTEMBER THURSDAY MEETING the 12th ~6:30 PM</b>	<b>KMIW East Hangars</b>	<b>MOVIE &amp; POPCORN</b>

## **WHAT'S FLYIN' THIS WAY !!!**

### **LET'S ALL GO OUT TO THE MOVIES!**

We will have our next meeting at the airport and have a brief pre-flyin briefing about what we will be doing on Saturday the 15th. It is basically the same as usual. The preparations have been on going. Event flyers are ready for folks to pass out and they can be picked up at the airport or during the chapter meeting. We will be putting our planes out for display. Also the RC club will be present. We will again have a car show and of course Kiwanis is cooking breakfast. Hope the weather holds. EAA'ers can assist with the coffee and tables plus help with the display area. We request that all the internet users to send out messages about the event to friends, on Facebook, etc. using the poster at the back page. Then, after the briefing, we will use our chapter movie projector on a big blowup screen! Lorin Miller has a big popcorn making machine that he will make as much popcorn as we can eat. Bring your own drink and lawn chair and maybe a jacket or sweater.

## **WHAT FLEW BY !!!**

Lots of people, airplanes, food and good weather were the order of the day for our After Oshkosh BBQ.

The reports from Oshkosh were that it was a record breaker.

Five airplanes flew in including Les Raisch and Robert Richtsmeier in a Piper Dakota. Bruce Gapstur in his GSC Chinook. Gary Nablo brought the Ankeny Flying club's Champ. Justin McKibben brought a C-152 and Gene Atkins flew in his Texas Taildragger. Great weather for the day! See the photos elsewhere in this newsletter.
