**WHAT'S FLYIN' THIS WAY !!!**

**IT'S ICE CREAM TIME!!**

Yes, it's July and time to wash up the old Ice Cream maker. Dig out your favorite Ice Cream recipe and bring it to the airport for our annual Ice Cream Social! Come early for possible flying and if you don't want to bring Ice Cream, well, there are lots of treats that go very well with Ice Cream, like brownies, cookies, cake, etc. We will gather at the Marshalltown airport east hangars beginning around 6:30, but I'm sure there will be earlier birds preparing their Ice Cream or maybe flying! The more Ice Cream and flying, the more fun we have! See you there!

**WHAT FLEW BY !!!**

Naturally, when there is an outdoor gathering of EAA Chapter 675, there is almost always food (see above). Our last meeting was no exception. A great turnout, including Dave Sult who flew in with the Ankeny club Ercoupe, participated in our traditional potluck supper. (Dave also has a recently purchased Champ based at KMIW!) Plenty of crocks, casseroles, chips and dip. Salads, FANTASTIC desserts and of course, aerobatic hangar flying. Ok, no one was hanging from the ceiling, but still a great night to be around airplanes. Thanks to Lorin and Diana Miller for use of their hangar. Don't forget... more great food in August at our After Oshkosh BBQ!

# CALENDAR

## MEMBER NEWS

The FOGz have been getting above the fog this year and have made many breakfast sorties, including to Hampton where this photo was taken on the last day of June.

At our potluck in June, **Dave Sult** showed off his beautiful Aeronca Champ which he recently acquired and based at KMIW. He had a few bugs to work out, but now is ready to fly!
