## HAPPENINGS

Since I have been out of town for the past three weeks , it seems that not much has happened, so I am told. Van Dusen Airport Services has a new manager, Paul Beem, from Buffalo, N.Y. Van Dusen has recently switched to Phillips fuels and has two new jet fuel trucks. They now accept Phillips credit cards along with Esso, Boron, Sohio, Visa, and MasterCard. Don Breeden is still working on his Private ticket, hope he gets thru soon so he can join us on some of our spring flying activities.

## CALENDARS AND NAMEPLATES

Following the January meeting we ordered 50 calendars with our imprint on the bottom, and they have arrived, priced at \$4.00 each. We still have nameplates available for \$3.50. See Earnie Shelton for calendars of Charles or Barbara for calendars or nameplates.
