E R R Chapter 677

Columbus, Georgia

The next meeting is 10 April Thursday, at First Federal Savings & Loan, at the corner of Bealwood connector and Whitesville road.

7:30 P.M

Vernon Prater has some video of the warbird reunion at tico for the Program.

Happenings: Mike Wilson and Trip Myrick headed for Lakeland flyin on Saturday and stopped in Cross City, Fla. Mike had a flat tire and spent Saturday nite there. A gyro copter flyin was in progress so Mike enjoyed the activity while waiting on Charles Hanna to bring innertube and got Mike fixed so they caught up with Tripp Sunday evening in Lakeland.

They camped while there and returned Tuesday

Leonard Smith and Eddie Hodges went to Lakeland in Eddie's van on Sunday and camped three nights. Harold Buck was observed taking in the activities.

Mike Wilson will tell you about the Pitts that landed upside down

Bud Schuman reports making taxi tests up to 60 miles per hour. He says it is hard to hold on the ground at that speed.

Bud is waiting on his inspection so he can get it in the air.

Vernon Prater, Don Breeden, Dick French, and Pearce Massey, flew down to Lakeland Friday morning and returned that evening. They went in Vernon's plane.
