station.

REPORT ON NEXT MEETING

The July meeting of EAA Chapter 690 will be a covered dish picnic on July 18. This will be a family outing. Bring the wife and kids and let's have a good time.

We have reserved a corral across the tracks from the main railroad station from 1 to 6 p.m. There are plenty of picnic tables in this area, and it is convenient to most park activities.

Bring drinks for your family and a covered dish dinner to share with all. You will need to bring plates, knives, forks, spoons, and cups for your family members as well. Please remember a serving spoon for your covered dish.

The women might like to bring a few copies of their favorite covered dish recipe to trade with the others.

We are not planning for cooking at the picnic so if you prefer hot dogs or other meat as well as the covered dish dinner, you will need to provide for your own cooking.

Anyone interested in organizing games for young and old, please contact Jerry Feist at 972-2441, Harold Stalcup at 921-9468 or Earl Evans at 921-3403.

REPORT ON LAST MEETING

Our June meeting was held at Rex Davis' (hangar) office. The program consisted of a talk given by Rex on how to setup the dihedral in a wing and how to figure S backs for bending metal on a brake. We also talked about installation of Nicopress sleeves. Rex gave us some Zeros copies of information that he has collected on the topics described. Harold Stalcup read a letter from Glen McNabb concerning the Labor Day Fly-in in Tullahoma. We decided to send Bob Garner and Earl Evans to a meeting July 4th to discuss our chapter involvement in the fly-in.

REPORT ON TULLAHOMA FLY-IN

On July 4th Earl Evans and Bob Garner attended a meeting at the Holiday Inn in Gainesville, Ga. to discuss the Tullahoma Fly-in. It was decided that there would be a fly-in at Parrish Field September 4th through 7th. This event will be called the Tullahoma Old South Fly-in. This is not an EAA sponsored activity but will be put on by the Tenn. Sport Aviation Council, Inc. This will be a

fly-in for anyone with an aviation interest. It was decided that the registration fee for those attending would be \$10.00 for the fly-in and camping would be \$4.00 per night in the campground and \$2.00 per night for aircraft camping. We elected the following for people to serve on the Board of Directors:

John Burg - Chapter 152  
Bill Miller - Chapter 611  
Fred Hammer - Chapter 190  
Les Segall - Chapter 182

Dave Boatwright was elected as an alternate for John Bugh. It was decided that we would retain the same committee chairpersons as were for Tullahoma '80.

FOR SALE

Tail-dragger "Teenie" with converted 1500 VW engine, prop and all parts to finish (about 80% finished) except mag. Will take \$1,800 or best offer. Tom Wilson. Need time to work on my E-Z, call 476-3264.

Well, that's it for this month - see you at the picnic.
