This month's meeting, Friday August 13, 1982, at the Stone Mountain Airport at 8:00 p.m., will have a variety of topics such as: a debriefing of the members who attended the Convention; discussions on pending Chapter business in regards to patches, logos, Chapter motto, tools to buy for the Chapter, setting up a store for aircraft materials bought in bulk, slides and pictures of the Convention at Oshkosh if they are received in time for the meeting; and various other items that need to be cleared up as Chapter business.
