**EAA RAIN CAPES "ON SALE".** EAA's move to the EAA Aviation Center in Oshkosh has brought to light an oversupply of bright yellow rain capes printed with blue EAA logos. They would be a great fundraising item or emergency sale item for fly-ins.

Originally priced at \$2.00 each they are now offered for \$20.00 per box of twenty-five capes shipping paid to your U.S. or Canadian doorstep. Wisconsin residents add 5% (\$1.00) sales tax. Please address your order, remittance and shipping address (street addresses only-no P.O. Boxes) to the Merchandise Department at the EAA Aviation Center.

This offer is limited to supplies on hand, order your supply

**EAA ULTRALIGHT '84:** EAA Ultralight '84 Chairman, Peter Stromborn, reports that Ann Welch has graciously agreed to be our guest of honor and keynote speaker at the event. Ann began flying airplanes in 1934 and gliders in 1937. She is currently President of the FAI Microlight/Ultralight Committee. She has had a long and illustrious career in aviation including a stint as a ferry pilot during WWII. She is an accomplished speaker and very much in demand in her home country. We are delighted and honored to have her as our keynote speaker for EAA Ultralight '84 on June 15, 16 and 17.
