DECEMBER 1989

090-CHAPTER-690

PRESIDENT'S MESSAGE

Congratulations to Frank Wilcox, Duane Huff, Mike North and John Goodman, on election to be 690's officers for 1990-91. I'm sure you will find it to be a gratifying experience due to 690's growth, and member involvement.

The Dahlenega flyout was a great success, 10 planes and 32 people for lunch. The weather was "severe clear" and a good time was had by all.

The chapter project is still unresolved, and will have to be settled at the January meeting. I think it is agreed that we should do this and the thing to be decided is the form under which it is to be accomplished.

Our last chapter event for 1990 is the Christmas party on Dec. 8th at the Perimeter North Inn. There was a reservation form in November's newsletter. Please get this in to Donna so we can advise the Inn on the number of people attending.

It has been a great year for 690 and a bang-up Christmas party with all of our "aviation enthusiasts" together is a nice way to end 1989!

Harold Stalcup

SPECIAL CHRISTMAS PARTY GUEST!

We are extremely fortunate to have Mr. and Mrs. Garland Castelberry joining us as special guests this year!

With the incredible responsibility for all aeronautical activities in the eight southeastern states as well as Puerto Rico, the American Virgin Islands, and South and Central America, Mr. Castelberry has considerable experience in managing our "ocean of air". He is highly respected by EAA and the sport aviation community and, of course, the

"others" -business/corporate flyers and the public air carriers.

Those of you who have participated in past Sun N Fun forums know that Mr. Castelberry didn't "invent" mode C and, he isn't a proponent of unnecessary restriction. He is known as a promoter of aviation, sharing our love of flying along with our concerns for both safety and fairness.

A fellow aviator and a long time friend of EAA, you'll certainly want to take advantage of this opportunity to get to know Garland Castelberry!

Time is passing rapidly, reservations must be in by December 4th!

EVENTS // FLYINS

No meeting in December

December 8, Christmas Party.

January 12, Next meeting.

"CLASSIFIED"
