Decatur, GA 30033

PRESIDENTS MESSAGE

Wow! Chapter 690 members are world class Chili Eaters. We had 6 big pots of chili Saturday afternoon and by the end of the day there was very little left. Joel & Lenor and Harry & Gretchen were awarded prizes for their chili. Thanks to all who brought chili and a special thanks for all the other good things which were brought.

We have had a slight set back in our recruitment for the April 29th Air Adventure Day. We can't advertise in the high schools. Therefore we will have to recruit through other means. Boy and girl scouts, hobby shops, and churches where there are active youth groups. I don't think we will have a problem finding 30 young people who want to attend.

Our next activity is the hands on welding April 1. See the map for directions.

Our Christmas party has been scheduled for Friday December 8th. And will take place at the Perimeter Inn where we had our last party. If anyone wants to work on decorations, has any ideas about a speaker, or any other activity, please let the executive committee know.

We are going to put on a pancake breakfast in May to see if we want to have some others this year. Tentative date will be Saturday May 13th (Sat after our regular meeting). More on this in April. Duane Huff will arrange for the food supplies.

Our April meeting time coincides with Sun & Fun dates so our April schedule is:
April 1 "welding day".

April 28th Fri - Meeting of those who will help with "Air Adventure Day"

April 29 Sat - Air Adventure Day.

This event is going to take place at Lenora as will the Friday meeting.

Earl Evans has agreed to put together a 1989 Chapter Directory. If you know of

any errors (spelling, addresses, project etc.) in our mailing list please let Earl know.

Have a good time at Sun & Fun!

Harold Stalcup

EVENTS // FLYINS
