## PRESIDENTS MESSAGE

Donna Forbes discovered an error in our Air Fair accounts. The adjusted profit for our air fair is \$367.00. Not too bad when you consider that we spent \$500 for insurance, \$30 for trophies and \$70-80 for advertising.

Donna says the treasury balance is \$2486.44 as of July.

The airport sign is in place and looks great. Thanks to Ken Sharp and his committee.

Frank Johnson (448-1594) has offered to provide transportation to Oshkosh 1989. Give him a call if you are interested.

Apologies to Harry Goettings for the misspell in the last Navcom. Forrest had trouble with my handwriting.

Earl Evans hopes to have our chapter directory ready in August.

Jeff Boatright and Henry Warner are looking for a wornout Tri-Pacer which we could then turn into a chapter project. If anyone knows of a Tri-Pacer that's sitting somewhere give Jeff or Henry a call.

Marnie Thomason talked about establishing an explorer post at Stone Mtn Airport. Earl Evans and Dick Strand expressed an interest in helping. This will be an excellent way to introduce young people into the fascinating world of aviation, and I'm sure that 690 will support this effort.

Roger Beyer has donated a Craftsman micro-adjusting torque wrench to be added to our tool inventory. Roger, this is much appreciated.

Don't forget, no August meeting (Oshkosh).

Sept. 9th (Sat.) Pancake Breakfast at Stone Mtn. Airport.

Sept. 23 BBQ at the Segos

Harold Stalcup
