PRESIDENT'S MESSAGE

I sure hated to miss the Sept. meeting and the following pancake breakfast. Reports are that it went very well.

1989 is rapidly drawing to a close and we have some things that must be done by year end.

Our nominating committee (Duane Huff, Charlie Sego and Ed Booth) have put together a slate of nominees for office and will present same at the Oct. meeting. We will hold elections in Nov. and install the new officers in December at our annual Christmas party.

Mac Forbes is putting together our annual fly-out to Dahlonge, scheduled for Nov. 11th. The plan is to fly to Dahlonge, arriving 10:00-11:00, then go by bus to the Smith house for lunch. Those members with multi seat planes can take passengers. Also some members may want to drive and meet us at the Smith House. This has been a fun activity for us, so come on.

Blue River aircraft wants to present a "hands on" aircraft covering seminar to us and other chapters in this area. We couldn't work out an October date, so it is tentatively set for Feb or Mar 1990. This is being coordinated thru Alexander Aeroplane in Griffin. Something to look forward to.

Chapter Project

This was discussed and there is a possibility one of Earl's Cessna 140's can become a chapter project. The supply of Tripacers has become scarce and expensive, so the V6STOL project is not as viable as we thought. We will discuss this at the October meeting.

Marnie is working on activating an explorer troop at the airport. Possibly she can give us a progress report in October.

Our Sept. pancake breakfast went well. We served 68. Had one complaint! We

are not advertising this enough. People from Mathis complained because it wasn't on their bulletin board. Next time we will send a notice to all local airports. Our pancake breakfast is a good excuse to warm up old Betsy and take a flight!

Dates to mark on your calendars:
Oct. 13th meeting - nominations
Nov. 10th meeting - elections
Nov. 11th fly-out to Dahlonge
Dec. 8th annual Christmas party

Harold Stalcup
