CHAPTER MEETING DATE, LOCATION AND TIME CHANGED FOR THE AUGUST MEETING!

Reinhart and Linda Kuntz have asked to have the August Chapter Meeting at their home. The date of this meeting will be Friday August 19, 1983 starting at 7:30 p.m.. (See the map below for directions) Linda and Reinhart will be baking a ham and roasting a turkey, members are asked to bring covered dishes. The Chapter will be providing a "keg of beer". The meeting last year at Linda's and Reinhart's home was a very enjoyable social gathering for the Chapter. In addition to this years socializing there will be discussions regarding Oshkosh '83 and Reinhart will have on display his "Der Cricket" project which he has had the fuselage signed off by the FAA. If you have any questions please call Linda or Reinhart at 979-1179. This meeting is another good opportunity for members, wives/girlfriends and guests to get to know each other better.

July 8, 1983

The July 8, 1983 meeting of EAA Chapter 690 was called to order by President John Poppo. There were 37 members and guests in attendance. Guests were John Owens and George Brooks. All members introduced themselves.

The minutes were approved as read.

There was no treasurer's report.

ANNOUNCEMENTS:

Thanks were extended to Tim McNeil and his wife for stenciling the chapter chairs and to Matt Willprecht for donating 60 feet of military grade RG Coax. John announced that Tom Farah had accepted the position of Field Executive Committee Member for Alabama and Georgia. The position was made available when Jim Riviere visited the chapter in May.

OLD BUSINESS:

John opened the floor to discussion of a possible Porterfield project. Joel Levine reported that headquarters suggested that a separate group be formed within the chapter but separate. It was suggested that the head of the group be a member of the executive committee and report to the President and membership monthly. Funds and insurance would be kept separately. Rex Davis reported that 16-18 members were interested in a flying project as indicated in the survey. Frank Johnson gave a report on the origin of the aircraft. Boyce Miller was to report what the interest was at the next meeting.

NEW BUSINESS:

The membership agreed that it wanted an August meeting and that it would be held one-week later than usual to allow slides of the convention to be processed. The meeting would be held at Linda and Reinhart Kuntz's home as a social event. Joel Levine moved that the chapter purchase a keg of beer for the event. Jim Crunkleton seconded the motion. No vote was needed.

The September meeting will possibly be a dinner meeting with a guest speaker.

PROGRAM:

Craig Gottschang gave an excellent slide presentation of flying in Vietnam and several airshows that he flew in Europe including the Paris Airshow.

The meeting was adjourned at 10:25pm.

Joel M. Levine
Secretary

cc: J. Poppo, President
R. Davis, Editor
C. Larsen, Chapter Director
