NEXT MEETING: Friday, 10/9/81
8:00 p.m.
Stn. Mtn. Airport

REPORT ON NEXT MEETING

Our October meeting will be at the Stone Mtn. Airport. We will meet in the classroom in the Operations Building. Our guest speaker will be Mr. Bill Fish from the Flight Service Station. Bill will explain the functions of the Flight Service Stations and tell us about the services that are offered to pilots. There will be a question and answer session, so this is your chance to have those questions answered that you have never had a chance to ask.

We will also appoint a nominating committee to select a slate of officers for our election in November. Please bring folding chairs to the meeting and bring a friend.

REPORT ON LAST MEETING

Our Sept. meeting was held at Bob's Toy & Hobby Shop. We would like to thank Bob for supplying the meeting place. Jim Thomas of A. E. Petsche Co. put on an excellent program on electrical wiring for aircraft along with a demonstration. We thank Jim for taking time to meet with our chapter.

We voted to donate \$150 to the building fund in Oshkosh (the check has been mailed)

We have setup the following meeting schedule:

Nov. 13th, 8:00 p.m. Stone Mtn. Airport - Election of Officers
Joel Levine to have the program

Dec. 11th, Open - we need someone to plan program

Well, that's it - see you at the next meeting. Earl
