- Mike Bond

Greeting to everyone at the EAA Chapter 713! The Holiday Season is upon us, and I will see you all at the December meeting for our Christmas celebration. I am busy with some family matters and have missed spending more time with the chapter events. Take care and be well,
Mike

Secretaries Report:

- Cebe Sue Breisch

EAA Board Meeting, October 22, 2024
In the absence of Mike Bond, Karl opened the meeting with John S also absent. The September minutes were read and accepted. Karl reported that we currently have \$6,614.75 in the Scholarship Fund and \$11,154.21 in the General checking. Then Karl gave some financial statistics. Currently we have put in the scholarship fund \$8208, needing only \$1800 more to meet the \$10,000 matching challenge goal that ends mid-December. Looking at our expenses versus income, our Club meetings show only \$25 ahead for the year (up to this time) and the Sunday morning breakfasts show \$2419 ahead for the year. So, we are doing fine to meet our financial obligations. Also, the club has spent \$567 on our room rejuvenation. The report was accepted.

John B reported that this month's safety issue will be on Hypoxia.

Fred reported that the scholarship committee has interviewed Tylor Goodell and they recommend him for a

scholarship. He is a 3rd semester NW student with a good work ethic and future aviation plans. Discussion followed with thoughts of the value of the scholarship and finally Chuck made motion to award Tylor a \$5000 scholarship, Suzanne seconded it and it unanimously passed. Fred also mentioned that Josie Grier will probably apply for her third scholarship.

The scholarship committee will need new members and Bill Schneider and Dave Gianakos have indicated their interest. Chuck reported we have added 3 new members, bringing our total to 67. James Pearce, Dana Pyle and Kade Gabrielson: We welcome you to enjoy the fellowship and activity of our club. He also reported the T hangars are open with repairs finished.

Ken Foote stopped in to report that he has visited with 8 Estate Planners so far and given them our information and it has been well received. He has more to do. The Christmas party, December 10, was next on the agenda and Lynne Lampe came in to provide directions for the event. Our Christmas party will be at The Terrace and Lynne will surprise us with a variety of cocktail food. A cash bar will be provided. It will start at 5:00. The cost this year is the same as last year at \$22/person and please include your \$20 family dues too. Plan to give your reservation and money to Suzanne Stephan at our November club meeting. Reservations are due December 1 and money before the party please. Since we

have no restrictions on the number of people attending let's invite other pilot friends (paying \$22/person) and introduce them to our club Christmas party. This is a good outreach time and hopefully encourages new members.

The November club meeting on the 12th will also be voting for new officers. Please come with thoughts about volunteering and helping to keep this club moving in the positive direction that it has developed these past few years. It is well worth the little extra time to serve this club and have had some wonderful scholarship recipients to show we are doing a great thing.

Finally, the November 12 club meeting will provide turkey/stuffing, gravy and ham. The green beans, mashed potatoes, sweet potatoes, and deserts Suzanne will ask for volunteers for these things.

Next Board meeting is November 26 at 8:30.

Meeting adjourned.

Holiday time! Thanksgiving feed at the November meeting followed by the Christmas party located at Lynn's (my bride's place), Geysers on The Terrace, in December. To cover the food expense,

B2

the charge for the Christmas party is the same as last year, \$22/adult. Lynn is coordinating the food preparation and it is essential to have an accurate count. There will be a cash bar available. Please plan on having your reservation for the Christmas party paid at the November meeting with your membership renewal. Guests are always welcome at our gatherings. Due to the size of the building for the Christmas party, it is encouraged that you invite your aviation friends. The Christmas party start time, 1700, is earlier than normal. It is dark much earlier that time of year.

The scholarship matching challenge deadline for this year is the night of the Christmas party. The collection jars are available at all our events. Share the blessings.

Be Well. Karl

Membership News

We have two new members. Dana Pyle is relocating to Cody after retiring from American Airlines and has a Beech Baron. James Pearce has a ranch on the Willwood, comes to Cody from Kentucky and has a Cessna 182.

Membership is open to all, from aviation enthusiasts to aircraft owners, pilots and builders. Annual dues are \$20 for the entire family. They can be paid at a

monthly meeting or mailed to EAA Chapter 713, P.O. Box 841, Cody, WY 82414-0841. All are welcome to join our aviation community. Current membership stands at 67.

YRA Board News

Both new T-hangar buildings are now available for occupancy. A lease agreement is available for signature at the YRA Administration Office in the commercial terminal. The last I heard, all 22 units had been spoken for. I'm sure you can put your name on a waiting list for future openings as units become available.

★ Sunday Breakfast at EAA chapter 713

EVERY SUNDAY

7am at the EAA Hangar, please join us for a \$5 hot breakfast! Eggs to order, toast, blueberry pancakes, sausage, coffee and orange juice! The EAA community gathers each Sunday for lively discussions!

Photo Editor Input Time:

By now most of you know that Cebe Sue and I are heading back to Findlay, Ohio. We are returning to be nearer to children and grandchildren. We will also

be returning to my first base of operations as I started my employment with Marathon Oil Company Aviation Division, so we have many aviation friends in the area.

It goes without saying that, in a special way, we will miss Cody and the many friends we have made here...especially our friends in the aviation community and EAA Chapter 713.

I thought this month I would put some early pictures of various EAA 713 activities as a type of trip down "memory lane" ...as Cebe Sue and I prepare for our final take-off from KCOD.

Hope you enjoy:

The pictures are from a variety of our aviation events and conclude with our annual Christmas Dinner...so have fun looking.
