President's Briefing:

Downwind for KCOD runway 04!
We had a great turn out for the Choice Aviation Pancake Breakfast...that's mostly what follows.

Vice Presidents Korner:

Still having fine weather in September, so we are going to take advantage with another burger/hot dog feed next Tuesday. The meeting just happens to occur after a breakfast feed the Saturday before. The breakfast should be a easy morning with it being held at the EAA hangar. Start time is 0700. Come and help, then enjoy the company of the folks from Colorado.

This months plan for a program has options. Having difficulty with internet connection for a televised program. Will be asking all attendees to turn off their internet connection on arrival. Having no problem streaming downloads before and after the meeting, but little success when the place is full. Appreciate the cooperation.

See you Saturday and Tuesday.

Karl

Secretaries Report:

Cebe was a bit under the weather, so Chuck took a few highlights of this month's board meeting:

- July minutes read and approved.
- Leroux Scholarship Applicants: Jordan Mautz and Mason Merager – board voted to approve for both semesters this coming year. Payment will be made to NW College.
- Colorado Pilots Association planned fly-in discussed and plans made to provide pancake breakfast, September 11th at 0800.
- Next Meeting: Burgers and HotDogs and potato salad, chips.
- Motion made and seconded to pay Karl for breakfast expenses.
- Tundra invoice on front hangar door discussed – payment will be made.

From Your Editor:

The Colorado Pilots Association is planning to Fly-In to Cody. We are

planning to offer them breakfast on Saturday, September 11th. Everybody welcome! Volunteers at 0700.

Here is the latest from Chuck:

The **Colorado Pilots**

Association has scheduled their annual **fly-out to Cody** this year and will arrive (weather and smoke permitting) this coming weekend.

The Chapter will be providing a **pancake breakfast for the group Saturday, Sept 11 at 8:00 am in the EAA**

hangar. There are 40 people signed up for the trip, so we expect a good turnout.

We need volunteers to help cook and serve breakfast, plus anyone else who wants to come and help welcome these pilots and families to

Cody. **Volunteers should arrive by 7:00 am for setup and cooking**. We should be done by 10:00 am at the latest.

If you are available and interested in helping out, please let me know by replying to this email by early next week. This is a great opportunity to socialize with

other pilots and help the Chapter raise funds for scholarships.

Hope to see you there,
Chuck
