President – Fred Breisch  
Vice President – Karl Lampe  
Treasurer – Vicky Leroux  
Secretary – Cebe Sue Breisch  
Newsletter Editor – Fred Breisch

# EAA 713 Newsletter June 2021

## President's Briefing:

*Downwind for KCOD runway 04!*

This has been a busy week for Cebe Sue and me, Lots of stuff to catch up on around the property, etc., so I'm running out of time to add much content to the newsletter. We haven't had any significant events/fly-in or airshow activity. We have had a nice series of monthly chapter meetings now that the virus scare has subsided and people aren't as intimidated and fearful. That's been nice! We've enjoyed *lasagna* several times and even put together a *chicken pot pie* meal...of course a salad in each case... and all this was well received. We've also had participation at our meetings by Heidi Rasmussen and Harold Musser and the airport engineering staff, who have kindly kept us updated on several interesting developments and upgrades at the Cody airport. It's been great having them attend and getting to know them better. Chuck Walker has also kept us updated and represents our chapter at the YRA board meetings. So

this has actually been a good informational year and generally positive developments have taken place...at our chapter and at YRA.

I have been trying to put together a Fly-Out to Red Lodge and that's taken a little time. It looks like that will happen tomorrow, Saturday June 5<sup>th</sup> ... the weather looks good for an 0800 arrival at KRED...and then we get a little exercise as we walk into town to eat. Several of our pilots have indicated interest, so I'm hoping for some company for Cebe Sue and me.

It looks like some other events are taking place this summer around our area, so we should have future opportunity to do some Fly-Out or Fly-In type activity.

*If anybody wants to propose a Fly-Out activity or maybe attend a local Fly-In send a few emails or make a few phone calls and put something together.*

## Vice Presidents Korner:

Karl sent me an email with his input for this month's newsletter and meeting and, unfortunately, I have managed to delete it and can't find it. So, if you'll read Cebe Sue's "Secretaries Report" from the May board meeting you will have an idea what the program will be.

Karl has put together several interesting video offerings this past year, so come and see what will be offered.

Karl will be grilling **burgers and brats** this month and Cebe is assembling some delicious **baked beans** for our meal, so plan on attending and enjoying some good cooking and a good time together!

Next time I'll try not to delete Karl's newsletter input.

### **Secretaries Report:**

May 25, 2021

Fred opened the meeting with all present except John L. Cebe read the minutes and they were approved as read. Vicky gave the treasurer's report with \$10,673.82 in checking and the Leroux still at \$10,000. **The cash received from our scholarship jar to date is \$85. Keep giving your extra to a good cause!** The report was accepted as read.

The April club meeting had 20 members and 2 YRA Board guests – Heidi and Harold. A short meeting ensued having a motion made by Mike Martin to raise the yearly dues to \$20 beginning in January 2022. John B seconded it and it passed unanimously. Braeden was introduced as our new Hawk scholarship recipient and news of the Choice Air Fare on August 7 was announced. Heidi gave a short update from the airport board concerning new fencing, the car wash and airport lease agreement update. Following this the video on the A-10 was viewed.

Old Business – Work is progressing on contacting some of our former scholarship recipients for updates on their flying in order to make a bulletin board presentation. Hopefully soon we can post a few. Choice Airfare is on August 7. We plan to meet at 7:00 for breakfast and serve until we run out. Price will be \$8. We will do Young Eagle flights but need volunteer pilots to fly! No new scholarship applicants at this time. New Business – Chuck reported on YRA board meeting. The lighting system has been pushed ahead to spring and summer 2022. Then the Rexburg airshow on Father's Day weekend was discussed as a possible club fly out. **Finally the June club meeting menu was decided with hamburgers and brats and baked beans that the club will provide. The video will be an interesting one about airplanes that have no examples left in the world!** Also we will present the EAA Youth Protection questionnaire to understand what you must do to take up Young Eagles. Meeting adjourned.

Respectfully submitted,

Cebe Sue Breisch

**From Your Editor:**

Hint: an early USAF jet fighter.

Picture taken by Bev Shaw at Oshkosh EAA Fly-In 2019...excellent composition Bev! I think it's a keeper! **A great Memorial Day Tribute!**

Here's a little quiz or challenge, shall we say, to your historical aviation knowledge, specifically can you identify the type aircraft these cockpits represent?

Hint: WWII medium bomber.

Hint: WWII German fighter bomber.

Hint: WWII USAAC fighter.

**Project Reports:**

Nothing new this month...maybe next month.

**“Sunday Morning Breakfast”**

*Breakfast at 7:00 AM Sunday Morning—bring your appetite and a few tall tales...or tails!*

*That pretty much wraps-up this month’s news.*

\*\*\*\*\*

I’ll be seeing you around the airfield, just remember:

*Keep the shiny side up,*

**A Final Reminder:**

***The June 8<sup>th</sup> Meeting will take place at the EAA Hangar – start time is 6:00 PM – the club will be providing Grilled Hamburgers, Brats and Baked Beans!***

***This is a new meal option for the summer season – So, come to the meeting and enjoy Karl Lampe’s Skillfully Grilled Hamburgers and Brats and Cebe Sue’s Homemade Baked Beans!***

***Also, at no additional cost, some excellent fellowship and maybe a few tall tails! Plus Karl's video selection!***

*(If anybody has some news or would like to make a contribution to the newsletter, submit or write an article, send pictures, etc., please send me your material and I'll work it in. Please use Microsoft Word and I will reformat as needed to utilize the material.)*

***All the best,  
Fred***

***Looks like the sun is setting  
on this month's newsletter.  
Fly Safe!***
