### EAA President

**-Ken Foote**

Hi everyone!

What a beautiful time of year, I hope you're able to get out and enjoy it! Our club remains strong with vibrant and dynamic members. Next meeting we'll have a very special dinner/presentation and we look forward to a nice turnout. Ascension FBO has now implemented a local based fuel discount, **please see the attached application** (last page of newsletter) and turn it into Brainna Claudson.

Wings & Wheels & Young Eagles volunteers needed, please see Mike Martin for details. Help grow GA and take someone flying!

Thanks everyone, blue skies!

Ken

Summer is ALMOST here, and with it comes weather with a load of energy. Even the best plans are at times not enough to avoid the impact to our flights or equipment. If you happen to see in the AOPA website the loss of 6 T-34s in Kentucky out of a group of 13. All six were in hangars due to the prediction of intense weather. The tornado that went through during the night didn't even flinch when the hangars disappeared. The report of an ELT was their first clue that something was amiss. Give the weather a wide berth or wait till it passes. Something to consider in everything we do even on the ground.

It is the season for airshows. The one in Rexburg, ID on Father's day is always a good one. So is the Wings and Wheels in Powell in August. Will be trying to do a Young Eagles program for Wings and Wheels. Anxious for Mike Martin to have his Navion back. So is he. Sunday breakfast is always held except for certain holidays that fall on the actual day. Come and enjoy. Karl

May 2025 Chapter 713 board minutes

-Board members present included: Pres Ken Foote, Vice Pres John Stephan, Treasurer Karl Lampe, member coordinator Pere Davison. Absent were: YRA board liaison Chuck Walker, Safety Officer Jim LaRowe, webmaster Tanner Paulson and Scholarship chairman Bill Schneider.

-Ascension General Manager Brianna Claudson reported to the board that Choice is matching the self-serve price for all AF fuel purchases. All chapter members who have purchased gas beginning in January 2025 have a current account, otherwise it is necessary to set up a new account with Ascension with a credit card on file using the application that is in this month's newsletter on the last two pages

-EAA April minutes were read; Ken made a motion to approve the minutes and John S seconded it.

-Karl gave the treasury report; EAA scholarship fund has \$22,205.75, and general checking has \$12,083.70; the Fidelity Fund has \$5.16. Karl stated he appreciated that the cash from the dinner meeting he missed was collected and kept secure.

-Pere stated that membership remains at 68; four members are not current with chapter dues. The chapter wants to make autopay available for the annual \$20 due.

-Ken reported on behalf of Tanner P, webmaster that the chapter website information is date sensitive so that most data is updated to 2025.

B2

-Ken also reported on behalf of Bill S that two new scholarship applications were submitted and the committee is currently reviewing another applicant. Scholarship recipient Josephine Griebel is applying to work as a CFI at Choice.

#### New business:

Ken stated that thank you notes to EAA dinner presenters be written on Chapter letter head. Thanks to John S for purchasing a B-17 picture for the EAA hangar. Karl stated that the chapter photos and plaques in honor of John Elgin should be hung near that picture. Kudos to Ken for getting a Mexican dinner ready for the May dinner meeting. Plans for burgers on the grill were canceled last minute due to inclement weather. The board voted unanimously to reimburse Ken for the total price of the dinner purchased at Michael's Tacos.

The board discussed purchasing kitchen tools for the EAA hangar to help keep the food warm during dinner meetings. John S agreed to shop for a chafer food pans with folding stand, and a Cambro insulated food storage container.

#### Old Business:

Cliff H will bring a copy of the metal plaque honoring John Elgin to the June board meeting.

Ken encouraged members to communicate to the community about the need for ongoing scholarship donation money, and also encourage members to volunteer for events such as Young Eagle pilots, workers and organizers, as well as future board seats.

Next Board meeting: Wed June 18 at 8:30a
