Downwind for KCOD runway 04!

We haven't got a **NEW** Newsletter Editor...yet, but we may have some *exciting news in this area for next month – so Stay Tuned!*

The club did manage to put together a little Fly-Out group on Saturday to Red Lodge, MT. The weather was perfect, and we had a good turnout! The little hike into town was most refreshing and we ate at the 'Regis Café' – good food and fellowship!

After breakfast we all decided to walk into town for a bit of desert at the local bakery...tasty pastries!

Red Lodge looked recovered from the recent high water and was crowded with visitors...good news!

Next came the hike uphill to the airfield...everybody made it and had a safe flight back home! It was a fun time and we look forward to a few more outings in the future.

Here's a look at a few pictures of the group that flew to Red Lodge on Saturday:

Food ordered, now for a few tall tales!

Bring on the food!

Hiking into town...a perfect day!

Let's see, what looks good today?

So this concludes our little 'Newsletter Lite' for July. Please come to this month's meeting and enjoy Homemade Chili! and Corn Bread! And a special presentation on "How to Fly a Tailwheel Airplane" produced by a couple of our club experts!

Do Not Miss This!

"Sunday Morning Breakfast"

Breakfast at 7:00 AM Sunday Morning—bring your appetite and a few tall tales...or tails!

July Meeting **Reminder:**

The July 12th Meeting will take place at the EAA Hangar – start time is 6:00 PM – the club will be providing A Special Treat: Three (3) Different Chili dishes...all homemade! And Homemade Corn Bread!

You definitely need to come to this month's meeting to Enjoy the Fellowship and some great Chili!

John Stephan is cooking two (2) types of Chili and Fred Breisch is cooking one (1) – Be brave and give it a try!

That pretty much wraps-up this month's 'Newsletter Lite' news.

I'll be seeing you around the airfield, just remember:

***Keep the shiny side up and
All the best,
Fred***

Looks like the sun is setting on this month's 'Newsletter Lite'.

Fly Safe!
