## Chapter News—Let's Get Going!

### PRESIDENT'S MESSAGE

As most of you know by now, I had a pretty serious bout with Covid-19, but at this point I think I can once again be counted back amongst the living! month's meetings but, the crew went along very well. Thanks to standing in for me along with the chapter board. Also want to thank the fantastic job he has done this can't forget the pilots, the ground crew that have helped Mark with the comforting to know that in my absence. Also, a little that you all really don't need me. So, this month is Oshkosh and it experience quite an exodus of through that week. This is the Young Eagles, and Chapter 72 every year since its inception in chapter has earned a plaque from National that will be waiting for us to pick up at the Blue Barn any time that week. I won't be there but, hopefully chapter members can get together and meet at the Blue Barn for a group picture with the plaque. I really don't know how many are going to Oshkosh, but if they would all talk up the Raffle, it might help our sagging sales!

I missed a couple of stepped up and things Steve Allen-Shinn for Esther and the rest of thank Mark Hyatt for year with the Y/E'S. I crew and all the folks paperwork. It's very everything went so well disappointing to know Ha, just kidding! I think sounds like we will chapter members 30<sup>th</sup> anniversary of has participated in Y/E's 1992. Consequently, the

Ken Hendrickson, with the help of sons, Dean and Eric, moved the S-21 out of Ken's basement and into a hangar at Meadow Lake! Its maiden voyage could happen within the next few days! They also moved the RV-14 kit from Ken's garage to the basement so he will have something to work on at home. I expect that the RV-14 will be complete and ready to move to Meadow Lake within a couple of years, so you kit builders better get on the stick, or Ken will have completed two planes while most you are still working on your first. But wait, it's not a race. Take your time and do a good job. It doesn't matter who flies first, but that everyone flies safe! In addition to Ken's S-21 flying soon, Mark's Pitts is very close and Sean Blair is also very close to flying his RV-7 as well as Ryan Schneider's RV-7 may fly soon! Robert Latham's RV-12 has been at the airport for a few weeks now and I understand that it has been flying a lot. Greg Baron just received his airworthiness certificate for his RV-10 last week. I mentioned that Ken is working on his RV-14 now, and there is a brand-new Sling project at the airport, and George Sciss is working on his RV-14 project at home. There are other projects under construction as well, so it's a mild understatement to say "there is a lot going on within chapter 72!" I hope that everyone has a great time at Oshkosh.

Tailwinds,  
Jim Steward

**Rans S-19 Raffle Ticket Sales through June 30—only 500 tickets sold. We must get busy!** This is a plea as we move forward. We have to do everything we can to sell every raffle ticket available. It's the only right thing to do with this AMAZING gift EAA 72 has been given. EAA 72 will likely NEVER get this chance again to remain solvent for decades to come. If we only sell half the tickets we are leaving \$125,000 on the table that we can never get back once the raffle ends.

## YOUNG EAGLES UPDATE

Attention Chapter 72 Volunteers,

Thank you all for another successful rally last week. There were 20 Young Eagle flights and 3 Eagle flights. I really appreciate all of your dedication. The next event will be on Saturday, August 13th so please mark your calendars. We already have 32 Young Eagles registered. Let me know if you will be available to help.

Respectfully,

Jeff Hyatt

#### About our Chapter

The Bruce McCombs EAA Chapter 72 meets at Meadow Lake Airport. Meetings are held on 3rd Saturday of each month with a breakfast or lunch.

Look for the calendar of events to highlight special chapter activities like Young Eagle Rallies, fly-outs, and other chapter sponsored events. The Chapter Newsletter is published monthly, normally emailed, and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor by the first Saturday of each month.

**Annual membership is \$25. Send to:** Secretary Esther Smith, 1303 Fosdick Circle, Colorado Springs, CO 80909. Make check payable to EAA Chapter 72 or pay on-line at <https://eaa72.org>. Be informed, attend the meetings, and have a great time with sport aviation.
