

EAA Chapter 723 Flight Training Scholarship Program 2022

Experimental Aviation Association - Chapter 723 is located at the Camarillo Airport. The Chapter is seeking applications from Student Pilots needing financially assistance in completing their flight training.

Applicants must meet the requirements listed below:

1. Must be at least 17 years of age.
 2. High school diploma, GED, or equivalent.
 3. U.S. Citizens with Social Security Number.
 4. Medical clearance from an FAA-certified examiner & drug screen.
 5. Passed an FAA Written Exam for the pilot rating within previous 12 months
 6. Active in a Flight Training Program at any program located in Ventura County California, plus the cities of Westlake Village and Agoura Hills.
 7. Referral from a CFI (Certified Flight Instructor) or flight school where the candidate is currently active in flight training.
- Funds will be given directly to the applicant's flight school.
 - Applicants may be eligible for a complimentary membership to EAA 723.
