EAA Chapter 732 September Gathering

Photos by Rick Wantz

A Message from our Chapter President Rick McKinney

We had a good speaker in Joe Ross talking about and showing us his Gyroplane last month. We will be at Wedington Woods this Sunday to hear a talk from Justin Tisdale on engine out procedures and discussion about the flooding event at WW and how that impacted the hangar owners.

I will be calling on the membership for officers in the coming year so please consider serving.

The WW crew will be providing three different Chili pots for the entree so please bring a side dish to match.

Eating at 1:00, meeting at 1:30
See you at the airport
Rick

A long time ago (ok, not that long ago), at an airport far, far (ok, not that far) away.....

For sale to the highest bidder (unless of course it is claimed by it's rightful owner):

A coat and gloves said to have once belonged to the infamous airplane outlaw Dale (Bob) Mitchell. Folklore says that it was left by Dale Bob at an EAA Chapter 732 meeting at Huntsville way back in May 2022. Although the coat was brought to every meeting after that, Dale Bob and his trusty steed Speedy were not seen at a meeting after that time....
