Farewell to Warren Jones

On July 2, we said a reluctant farewell to Warren Jones.

A Trip of a Lifetime

Sumbitted by Elizabeth Resh

Last month I had the opportunity to take a trip to Washington, D.C. I saw all the major national monuments and got to see the National Air and Space Museum. I saw the 1909 military Wright flyer, the 1903 Wright Flyer, and Amelia Earhart's Lockheed Vega among others. All in all it was a great trip and we even got to see the top of Hurricane Bill on the flight home. Thanks
