EAA Chapter 732 October Gathering

A Message
from our
Chapter
President
Rick McKinney

We had a good report on what flood waters can do to real estate & buildings at Wedington airport last month. Floods are a force of nature we just can't avoid and sometimes become deadly.

This Sunday we will meet at the Drake Field Terminal at 1:00 for lunch and 1:30 meeting. Justin Tisdale is going to be there and tell us about his engine out events.

Smith's are providing a turkey so please bring some sides, bread or desert.

We are also going to have nominations for officers this meeting so please consider where you can serve.

See you at the airport...

Rick
