A Note from Randy

NEXT MEETING: July 16, 2017
2:00 p.m.
TruTrak
(KASG)

Bring a CHAIR and a snack to share, and the Chapter will provide soft drinks!

OSHKOSH!
July 24-30

BYOC

A small blue folding chair with a black metal frame, shown from a three-quarter perspective. The chair is fully assembled and stands on a white background.

Hope everyone had a good 4th of July Holiday. I know several are getting ready for the annual trip to the great North country otherwise known as Oshkosh! Along with that we are having our July meeting at TruTrak Flight Systems (1488 S. Old Missouri Rd.) at the Springdale Airport. This meeting will be a little different in that it will be a BYOC meeting. What is BYOC you ask? Bring Your Own CHAIR! We will not be transporting the tables and chairs to this meeting. It will be our normal bring a snack to share and the Chapter will provide the drinks. Hope to see everyone on Sunday.

Randy

A 2nd Sad Note from Randy

Chapter Treasurer Position Open

We need a volunteer to take over the Treasurer position for the Chapter. Jodie has decided that she cannot continue in this position due to time constraints. (Thank you for your efforts in this position Jodie!)

Please consider volunteering for this position. Remember the last time we had an opening for the Newsletter Editor and it took some “arm twisting” to get a volunteer?

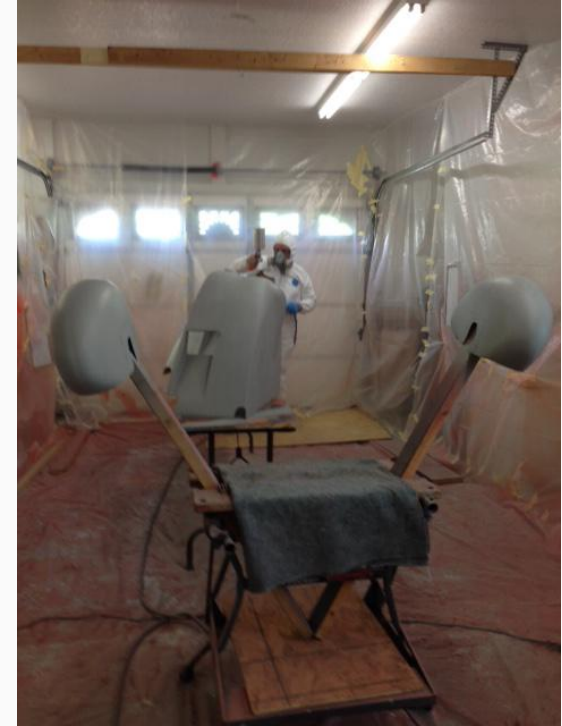

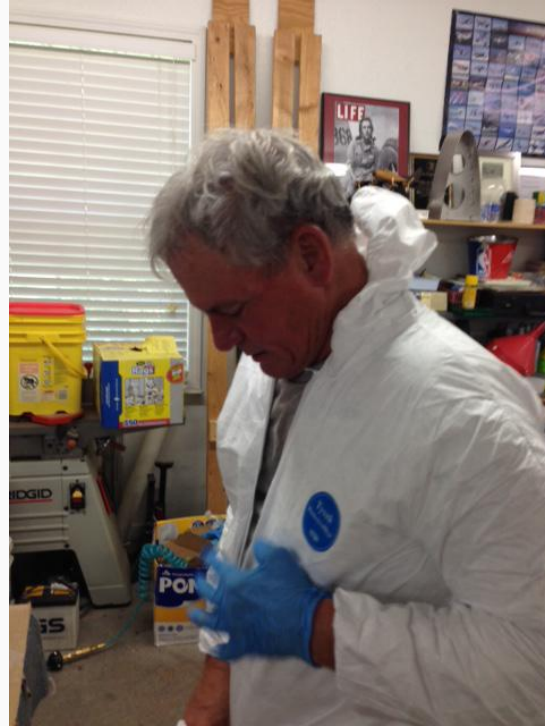

**VOLUNTEER
TODAY!**

Don't let this happen to you!

Rick "Wantz" to know "Who sings "Roxanne" while painting airplane parts?"

A BIG Thank you goes out to Frank for helping put a fresh coat of paint on Rick's Sonex! I am sure Rick can give you his phone number.

July Meeting

**Thank
you
Jodie
Johnson!**

Thanks for sharing Jodie!

Young Eagles in Springdale July 8th

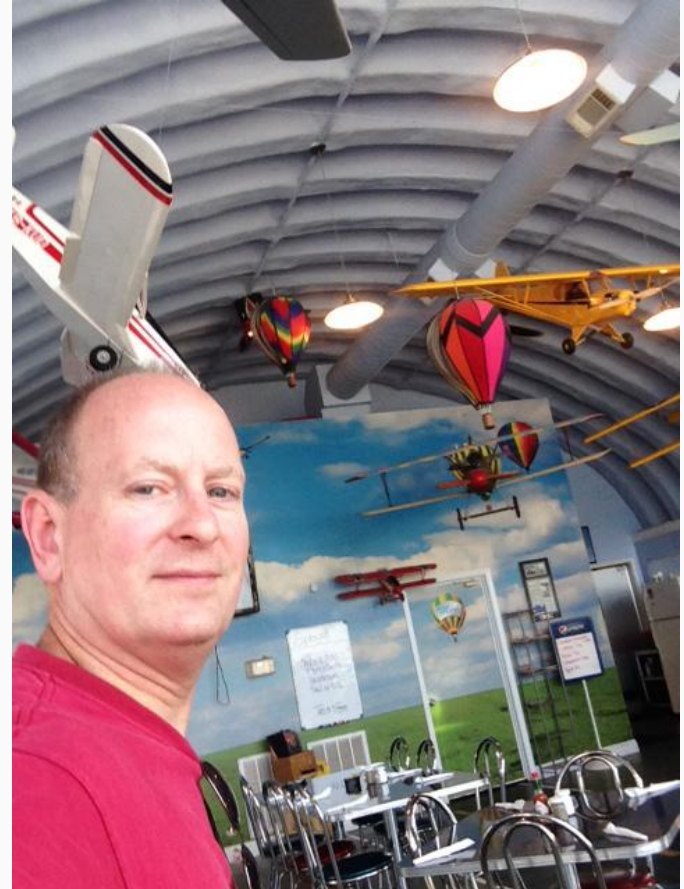

Thank you Rick Wantz for flying & Sharing!

Friendly Flights with Rick Wantz!

Rick took his friend Bryan up to Kingsley Kafe for Breakfast. Rick said the food was great and that you can't beat the aviation atmosphere!

25th Anniversary Bear Valley Springs Balloon Festival, Tehachapi, California

Tehachapi is a city in Kern County, California, in the Tehachapi Mountains, at an elevation of 3,970 feet between the San Joaquin Valley and the Mojave Desert. The community has a private balloon festival each year on the 4th of July. Noli and Martha Molina were lucky to get to have their first balloon experience with their friend Peggy Watson-Meinke in her “Beautiful Balloon.”
