A Message from Chapter 732 President

Greeting all. I was at Drake on Monday afternoon when we had a couple of visitors from Ft. Smith fly a couple of patterns and show off their afterburner. Looks like the F35 has arrived at the 188th. For those who haven't seen one in person, trust me they're LOUD.

Two things of note. We will have Jared Rabren, Drake Field Airport Manager give an update on some of the future plans for Drake Field. And following the meeting we will have the 1st meeting to get our VMC club underway. Looking forward to seeing you at the meeting.

Thanks Rich
