Meeting Location

Thank You Jay Hale for Hosting the April Meeting

It was great to see all the progress on Jay's plane. 90% done and 90% left to go! Great food! Thanks to Joyce and daughter, Kelly, for being great hostesses.

Sun-N-Fun

We had two couples from our EAA chapter attend Sun-N-Fun this year in Lakeland, Florida. They both have commented on the fact that it is a mini-Oshkosh. David Moore and his wife, Junelle went, as did Al and Brenda Smith. They however, never saw each other while they were down there.

David Moore said this was his first time in twenty years and he was amazed at how much smaller and calmer this event is in comparison to Oshkosh.

Both found some cool airplanes they were impressed with. Even Junelle Moore found a pretty airplane.

Young Eagles is a program to introduce children under the age 18 to flight. If you know someone who is interested in either event, please let them know of the dates.
