April Meeting

A Message from Chapter 732 President

Well the weather has been the nemesis of Young Eagles for us so far this year. As of the last I know we will try again on July 13th. We've been contacted by Tango Flight a high school program in Bentonville. They are looking for mentors for an RV12 project their students are building. They have been invited to the meeting to give us more details. Hope to see everyone at the meeting Sunday. And don't be afraid to give some input. Please remember it's hard to make the chapter better without it. I have limited talents and mind reading isn't one of them.

Thanks Rich

FYI: May meal will be provided by Steve Bray.

Hello everyone. Just a gentle reminder that it is “**Never Too Late**” to pay your 2024 dues. Dues are still only \$20. You can pay your dues at the June chapter meeting or you can send me a check.

If paying by check, make the check payable to: EAA Chapter 732.

Send check to the address below.

I look forward to seeing you at the upcoming meetings.

ColorVMC Club 732 Interest Survey

As a part of EAA, there is an opportunity to start a local VMC Club. This club would meet to share and discuss scenarios about flying VMC. This would be open to all chapter members and local pilots. I am currently looking to gauge interest in this. If you might be interested, please follow this link and fill out the form. The more responses I receive, the better I will be able to organize this resource for you and our local pilot community. If you know someone in the community that might be interested in joining as well, please share this link with them.
