EAA Chapter 732 December 2021 Gathering

A Message from our Chapter President

We had a great meeting and meal at the December meeting. We reviewed the year and our progress in meetings and discussed Chapter projects for the coming 2022 year. There is a great opportunity for a kids program that Martha is working on and Randy Resh brought up some additional projects for our option. We will update on those in the next meeting.

I would like to suggest that we socialize with other aviation groups in NWAR during this next year, perhaps starting with hosting a social event at the museum for a start. We can discuss our different missions and see if we can help support each other in our efforts and activities.

Matt Younkin will be our speaker at the January meeting and I've asked him to talk on the Cargo Dogs project Beth Lewis asked him to help with. It should be a great topic as there are quite a few pilots local and nationally that have flown a lot of hours hauling cargo and a number of them got their start in business aviation in that role.

We plan to have another potluck at the next meeting and I will ask if someone would like to offer the main entree for that meal. Please let me know and we can plan for that meeting. This one will be at the terminal at Drake Field.

Have a safe and peaceful New Year!

See you at the airport
Rick

Secretary Report: EAA Chapter 732 Meeting 12/19/21

- Meeting location – Drake Field Terminal Building (KFYV)
- Members and visitors – 19 members and 3 visitors present for a total of 22
- Lunch – potluck with Rick McKinney providing the ham and Bill and Camille Smith providing a smoked Turkey.
- Treasure report by Randy Doughty – There is \$1,092.00 in the bank account.
- Chapter Administration – Rick McKinney - Pres. presided over the meeting.
 1. Service recognition awards were handed out to 2021 officers
 2. Rick asked for ideas for future chapter gatherings, speakers to invite and possible fundraisers.
 3. Ideas brought forward were: Gathering held in conjunction with the Har-Ber aviation club, Kids one day workshop, RC model kit build, fly-in pancake breakfast in partnership with air and military museum and inviting Doc Wallace to give presentation on Wal Mart drone program.
 - Young Eagles 2022 by Rick McKinney – will plan to have our normal YE flights in mid-June and another one again in late summer/early fall.
 - Project updates – Richard Roth is working on the wing skins of his Zenith 650 and has purchased a used Sensenich Composite prop. Fred Fallis has flown his RV-9A for 33 hrs. of the 40 hrs. needed. Bud Keil talked about his RV-4 instrument panel upgrade, replacing some of his steam gauges with Dynon glass and redoing his weight/balance.
 - Safety – Bill Smith says FAA is pushing the WINGS program and encouraging pilots to participate, none of the pilots involved in airplane accidents this year in AR participated in the WINGS program.
 - Jason McCullen, Har Ber Aviation Club – Met with the Bentonville school district to discuss the Har-Ber aviation program. There are 14 students in the Springdale Har Ber aviation club this year that are pursuing a drone license. Jason has visited the aviation programs at OU, OSU, SOSU and KSU to evaluate their programs and discuss with them the program at Springdale Har Ber
 - Chapter Video – Chapter leadership training programs have restarted at EAA headquarters in Oshkosh. Homebuilders week, the online webinar event will be Jan. 24-28, 2022.
 - Next meeting will be Sunday Jan. 16, 2022, at the Drake Field Terminal building. Matt Younkin will be our featured speaker.
