Richard “Rick” Kalies married his wife, Marie, 47 years ago and have two children. Their son, Jason with wife Laura, live in Minnesota and their daughter, Sara with partner Jimmy, live in Virginia. Rick and Marie owned and operated a dairy farm in Manitowoc County for 39 years, which they sold in 2017. They then moved back to Plymouth, where both Rick and Marie grew up.

Rick began his aviation adventure in November 2003 and passed his Check Ride in May 2004. In November 2011, they purchased the German built Symphony N160GT (two place single engine). He went on to earn his instrument rating in May 2016.

Rick flew their Symphony N160GT to the west coast in June 2018. On that trip, he visited McMinnville Evergreen Aviation & Space Museum, which houses the largest wooden airplane ever built, the “Spruce Goose”! He also flew around Mount St. Helens and visited the Tillamook Air Museum that built airships during WWII.

One of Rick and Marie’s latest aviation adventures was to fly to Findlay, Ohio to view the Solar Eclipse in April 2024!
