Accidents and incidents start with a chain of errors nearly every time. [The NASA Safety Report](#) below is a perfect example of how a series of mistakes on the ground led to a problems in the air.

The Hardest Aircraft Performance [Quiz](#) You'll Take This Week

[Do you have what it takes?](#)

You Should Know These 10 Minimum [IFR Altitudes](#)

Here's what you should know about the 10 types of minimum [IFR altitudes](#) for your next flight.

On August 26, 2018, we celebrated our EAA Chapter 78 Vice President's birthday (Tom Russell) at Maggiano's Little Italy Restaurant in King of Prussia. The band (Philly Heart & Soul) were GREAT! From the members of EAA Chapter 78 ~ Congratulations on the 39th anniversary of your 21st birthday! Here's too many more!

Tom Russell and Beautiful Wife (VIDEO)
