July Chapter Meeting “Youth in Aviation”

Despite a Very, Very Rainy Evening. Dave Leiting drove down from Oshkosh to discuss EAA’s opportunities for Young People in Aviation- Scholarships, Internships and just fun things to do.

Brad DeLisle, Chapter VP and Ground School Instructor for Crystal Lake HS students, talked about his zig zag route to aviation. Lon Danek talked about the Chapters History, Ole the monthly fly outs– all are welcome and Tom Solar talked about the Chapters Scholarship opportunities.

Thanks go out to Tom LeGates and Brad DeLisle for setting up this meeting. Brad was standing out in the rain directing the kids and parents to the meeting location in Ted’s Hanger.

Special kudo's to Dave and Brad. Youse guys are troopers!

Afterwards Paul presented a cake to Ole which everyone enjoyed in recognition of his 20 years flying his Prescott Pusher and the many Young Eagles in which he flew.

ANNUAL PANCAKE BREAKFAST

What a successful Event! The chapter served over 500 paid guests, our largest turnout yet. Each year the number of participants has increased (the food and service must be good). The event was held in conjunction with Lake in the Hills Airport annual open house. Thanks go out to Mike Peranich, the airport manager, for all of his

assistance in making this event successful. Special thanks go out to Lon Danek for once again chairing the event. It is a lot of work and worry. Lon, its over, so now you can relax. Also thanks to the many chapter members and Civil Air patrol personnel for volunteering their time.

Annual Pancake and Open House

Fly Out to Lone Rock June 16, 2018

Attendees: Lon Danek, Dave Boone, Ole Sindberg and Tom Solar in Dave's C182; Paul and Ed Ranieri in Paul's Glstar; Brad DeLisle, Ryan Healy, Lance Schulte and Rich Oleszczuk in Rich and Companies Cherokee 180; Dale and Trudy Medendorp in Dales Zenith 650B

Hot and Humid, nice with light winds. Ole had reserved two tables waiting for us. Flight Arrival times were 9:45 and 10:15 respectfully.

Table chat included 12 O Clock High Piccadilly Lilly B17. Dave's beginning Aviation career. All planes were filled, a first. Ole's was down for repair and no rental's available from Blue Skies. Nice trip, casual restaurant with friendly service and inexpensive meals. Ramp was right in front of the restaurant. Taxi up and go eat.

Thanks Ole for setting this trip up.

Tom

Upcoming July Fly Out

We established last year that the third Saturday of the month would be the day for a fly-out; This does not work for July because Oshkosh starts that same weekend. But July 14th has no known issues, so that is going to be the date for the fly-out. We used to fly to Janesville for breakfast quite often. But the restaurant there has been closed for quite some time. They are working on it, but It is not expected to open till August – I am told. However,

er, there is a nice restaurant at the nearby Glen Erin Golf Club – it is only about a half mile from the Jet Center on the south-east ramp. We could walk that far, or bicycle – or the Jet Center will run us over there. The restaurant does not open till 11:00 AM, so let us meet at Janesville Jet-Center on the 14th at 10:30 – 10:45 AM, and proceed to the Glen Erin Golf Club. They do not serve breakfast, so the menu is a lunch menu. If you are driving there, the address is 1417 W. Airport Rd. Janesville. Follow this link for menu: glenerin.golf.com.

As before – if weather does not cooperate, plan B is to meet at the Colonial restaurant in Crystal Lake at 9:00. **Call or email me with your attendance plans, or if you have or need seats.** CU there – or there.

Keep the blue side up.

EAA Chapter 790 Board Minutes, June 6th

Attendees: Ole Sindberg, George Roby, Bud Herod, Tom Solar, Matt Van Bergen, Brad DeLisle, Paul Ranieri and Paul Sindberg flew in.

Youth in Aviation and Next Chapter Meeting: David Leiding the EAA Chapter Representative will be presenting at our next Chapter Meeting. He will talk to the HS kids and parents whom Brad has invited. Lon will discuss the History of our Chapter, Ole Aviation careers, and Tom Solar Scholarship opportunities. Brad's association with the ground school classes he teaches states that approx. 10% are interested in flying, and the majority in Engineering with a few interested in Air Traffic Control. Ted Lipinski has volunteered for us to use his hanger for this event. Lon will see if he can locate the key to the hanger since Ted will be out of town that day. George will set up the BBQ with Lon assisting.

Young Eagles: Matt reported we flew 84 YE's in May. Ten pilots participated, each flying four flights. Tim Lynn wants to fly YE's in his helicopter and will be attending the next event. He will fly for one hour and take 3 kids. He is an EAA member and has been vetted. Matt discussed on using a raffle technique for those interested in riding the Helo, since there probably will be lots of applicants. Matt has compiled an email list of those of the YE's. He will send out a notice of our Pancake breakfast to that list. Nice going Matt. Matt also has the shirts for those who have volunteered for YE's; pilots, desk and marshalling help. See Matt for your shirt (they have the chapter number and a nice EAA Young Eagles logo). Guys are beige, girls are blue.

Treasurer's Report: We have \$5,064 in our treasury. There are 31 members signed up. Tom Solar sent out a reminder for those who have not yet paid.

CAP- Congratulations to Lieutenant Brad DeLisle. He has volunteered to assist with the Civil Air Patrol. Paul will contact the CAP for coordination instructions.

Pancake Breakfast: Lon has been diligently working preparing for the upcoming June 24th Annual Pancake Breakfast.

Fly Outs: Ole reported the next fly out will be to Lone Rock on June 16th. This was rescheduled due to weather constraints last month. A method to contact people for a go no go scenario was discussed and Ole will send out the details later. A fly out to Oshkosh to tour the Basler DC3 restoration facility was suggested for a Friday in September. Ole will be contacting Doug Raupp to see if a shop visit can be arranged.

It looks like the government is getting on board to help fill the existing pilot shortage the politicians created by upping the requirements for flight hours several years back.

Respectfully Yours,

Tom Solar

Chapter Secretary

More pictures from the Chapter Meeting**CHAPTER AVIATION SCHOLARSHIPS****2018**

Crystal Lake EAA Chapter 790 is offering scholarships for Youth in Aviation.
