From The Top

Wow!! What a busy month it has been. The question was asked “How many Hurricanes is to many?” Hope everyone is ready to take a break from the clean up and talk about airplanes. The airplane build is going great, but we still need a few more hands to help. Come out and see the progress and get your hands on experience. We are routing out nose & flap ribs and need more hand to help.

Also coming up is Heritage Park annual event so we will need Volunteers to help with the Little Airplanes.

Looking forward to see everyone again. It is an exciting time at 797 so come and enjoy the fun.

VMC Club

Please remember that our monthly VMC Club meeting will precede the monthly meeting. It starts at 10 am and we look forward to seeing everyone there. It is always a great learning session followed by questions and discussion.

Young Eagles

Unfortunately, the weather did not allow us to fly the Young Eagles at our October 5th Rally. But several of our club members stepped up to the plate and assisted the Young Eagles event at Cannon Creek. I am so proud of our club and their dedication to the Young Eagles program.
