Regular Monthly Meeting

Meeting is in chapter hangar

Second Thursday @ 7:00 PM

EAA 846 Website

[chapters.eaa.org/EAA846](http://chapters.eaa.org/EAA846)

Skypark Website

[www.flyskypark.com](http://www.flyskypark.com)

## **JULY CHAPTER MEETING:**

Join us for the upcoming EAA Chapter 846 Monthly Meeting on Thursday, July 8, 2021 @ 1900. This will be another “**Summer**

**Cookout”**. Please bring a side

**dish to share!** The meeting will be

held in the chapter hangar #M1 at Skypark Airport (**1G5**).

Social hour begins after 1800.

## **July Meeting Agenda:**

1. Welcome everyone to our July meeting
2. Gary Baker and Randy Brooks will be presenting flying into Oshkosh AirVenture 2021
3. Officer Reports
4. Hangar Addition Update - Pete Klapp, Randy Brooks
5. Pancake Breakfast Fly-in September 2021
6. July 17th Young Eagles Flights
7. Project Updates

**OUR AUGUST CHAPTER MEETING WILL BE ON THURSDAY, AUGUST 12, 2021 @ 1900 AND HELD IN GARY & MARY BAKER’S HANGAR AT MEDINA AIRPORT.**

**JULY EXPERIMENTAL AIRCRAFT QUIZ:** Do you recognize this modern 2 seat composite aircraft? It can be built LSA or not, plus the manufacturer offers a builders assist program. See page 6 for details and more photos.

## Cassutt III M Project and Zenith 601XL Tail Kit - For Sale

By: Dean Mitchell

**Cassutt III M** - Complete airframe and wing on gear, plus cowling, wing tips, canopy frame, Cleveland brakes, tail wheel, and engine mount. \$1,300.00 OBO.

**Zenith 601XL** - Complete tail kit (same as Zenith CH-650) for sale, still in original crate. Includes electric trim servo, complete set of plans, DVDs, complete tool kit. Asking \$1,100.00 OBO.

You can reach Dean at [Deanmitchell48@outlook.com](mailto:Deanmitchell48@outlook.com) or Ph: 440-554-0514

Photos for reference only

## Aveo Ultra Daylight Nav/Position/Strobes For Sale

One set of Aveo Ultra Daylight Nav/Position/Strobes for sale. \$750.00 OBO. Bob Taylor, 330-416-2764

## Rans S-21 - Project Update

By Randy Brooks

Building my S-21 kit is well underway. All the tail feathers are completed, and I just finished riveting the top skin and gap seals on the left wing. Ron L. and Dave M. came over the other day and we flipped the wing over so I can start work on the bottom skin. I need to fabricate amount for the heated Garmin pitot tube that I am using and install the OAT probe on an inspection cover. I'll tidy up all the wiring in the wing and then fit and rivet the bottom skin. Finally, I'll install the fuel tank after assembling the fittings on the tank and installing the fuel filler cap. The tank is a 21-gallon, one-piece poly tank. After the left wing is completed, then I'll start on the right wing. Hopefully, it will go a little quicker, due to less wiring and having built the left wing already. Stop by anytime to check out the build.

Left wing in jig ready for pitot tube, fuel tank and bottom skin install.

Left wing top skin and gap seals installed. Root rib not riveted yet to allow for fuel tank install.

## Welcome A New Members...

By Gary Baker

Please welcome Rick Katai and Phil and Peter Rodopoulos to Chapter 846. Rick has taken part in past Chapter activities at Oshkosh and lives in Euclid. Rick is a retired corporate pilot and enjoys flying his Champ out of a grass strip at Chalet Debonne, a winery south of Madison.

Phil and his son, Peter, live in North Royalton. Phil has his commercial certificate and instrument rating. Peter is a senior at the University of Miami and has his private pilot certificate. They have a 1946 Cessna 140 based at Skypark Airport.

Thank you for your membership, Rick, Phil, and Peter!  
Welcome to the chapter!

## AirVenture 2021 Pizza Party

The chapter has reserved the Chapter Pavilion in Camp Scholler for our **annual pizza party!** This party will be held Thursday evening, July 29. More details will be coming in the next few months. Mark your calendars!

## Chapter Fly-in Breakfast Planning Meeting July 13th

The first meeting for the planning of the Chapter Fly-In Breakfast will be Tuesday, July, 13, 2021 at 7:00 in the chapter hangar. Any member interested in serving on the planning committee or volunteering in any way is welcome to attend. The tentative event date is Saturday, September 18th.

## FOR SALE: Factory New Slick Magneto Model #4372 LH

Includes: Impulse Coupling, Harness, Drive Gear & Adapter/Spacer. See ad Here: <https://www.barnstormers.com/classified-1669879-Slick...>

Contact Barry at : barval94@gmail.com

## Joe Begany's Memorial at Oshkosh

Chapter member Joe Begany, who lost his life in an aircraft accident in 2019, will be memorialized at Oshkosh during AirVenture '21. All chapter members who will still be at Oshkosh are asked to join in the dedication service on the last Sunday of AirVenture, August 1, at 10 a.m. The dedication service will be held at the Memorial Wall near the Fergus Chapel. Many thanks to Ben Nagy for submitting the chapter's application for Joe's submission.

The following was received by Ben from EAA:

"Thank you for your submission to honor your loved one on EAA's Memorial Wall. While we all missed having AirVenture 2020, we are excited to honor the 2020 and 2021 inductees at the annual dedication service on the last Sunday of AirVenture, August 1st, 2021, at 10 a.m. This heartwarming ceremony includes a poignant reading of inductees' names, a breathtaking missing man flight formation, and concludes with the playing of taps."

## Congratulations, Tim Conway!

Tim Conway passed his check ride for the **Commercial Pilot Certificate** June 21. Congratulations, Tim!

## Congratulations, Randy Brooks!

Randy Brooks attended his first Sentimental Journey at Lock Haven, PA, with his restored 1940 Piper J3 Cub at the end of June. He was rewarded for his efforts with the Best Antique Award! The judges were correct in their assessment of Randy's Cub. Well done, Randy!

## Flying into EAA AirVenture Oshkosh

July's Chapter program will be conducted by Randy Brooks and Gary Baker. They will be giving a presentation on flying into Oshkosh and reviewing the new information in the NOTAM.

The NOTAM booklets will be available in print during the first week of July. An order for twenty-five booklets has been placed with EAA. Hopefully, they will be available to Chapter members at the July meeting. The NOTAM can also be found at <https://www.eaa.org/airventure/eaafly-in-flying-to-oshkosh/eaafly-airventure-oshkosh-notam>.

## Dues Are Payable in Person This Month!

2021 dues can still be paid by cash or check at the June meeting, since we will again be holding an in-person meeting. Please complete the Membership Form and bring it with your payment. Checks can be made payable to EAA Chapter 846. A current list of paid members is included in this month's Wingnut. This list also includes the status of each member, as some have paid next year's dues and others have Family, Lifetime and Honorary memberships.

Dues can always be paid by going to the Chapter website <https://chapters.eaa.org/eaafly846/membership-benefits/join---renew---donate>. Payment can then be made using PayPal. Please send any changes in your information to Gary Baker at [ggbaker@zoominternet.net](mailto:ggbaker@zoominternet.net). Thank you for your membership in 846! **"SEE PAGE 10 FOR THE NAMES OF THOSE WHO HAVE PAID THEIR DUES IN 2021"**

## Young Eagles—June 19th

Many thanks to all the Chapter members who helped out to fly fourteen kids at Wadsworth Airport June 19. Some of the kids had taken part of a scouting campout at the airport. Karl Aber flew five kids, Paul Reidy flew four, Tim Conway and Matt Tomscheck each flew two and Joshua Moore flew his first Young Eagle. Joshua is the first former Young Eagle to fly another Young Eagle for the chapter!

Thank you all for your time: Brian and Fiona Burke, Gary and Mary Baker, Walt Halloran, Casey Keibler and Chris Oehlert.

## Young Eagles, July 17th

The Chapter will be holding a small Young Eagles Day event at Wadsworth Municipal Airport Saturday, July 17. A signup sheet will be passed around during the July meeting. Volunteers will be needed for registering kids and escorting them to and from the aircraft. Pilots are asked to confirm your attendance.

We will be setting up at 7:30 am. There will be a Pilot Briefing at 8:30 am. The on-line registration website is being used and we have twenty-two kids signed up, as of July 4. Please invite friends to sign up and bring their kids that day. The link is <https://young eaglesday.org/?2174>. Parents are being asked to register for two time slots, 8:45 and 10:15 am to spread out the attendance.

If you are unable to attend the July meeting, let Gary know if you are willing to assist.

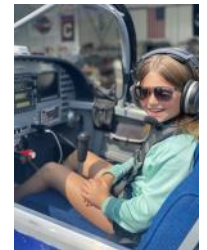

## Cousins and Now Young Eagles!

Gary Baker flew three youngsters last Saturday, Myles Forrest and Simone and Quinton Albrecht, in his RV-6. These three are cousins and now are Young Eagles. Myles is a repeat Young Eagle from Truckee, CA. His dad thought so much of the program that he is now a volunteer with the EAA chapter there. Myles and his family are visiting relatives in Bath this week and contacted Gary to request Young Eagles flights for the cousins. The weather was excellent for flights Saturday, so Simone and Quinton experienced flight in a small airplane for the first time. Myles also received his first flight in an RV!

## Chapter T-Shirts and Polos Available

There are still some t-shirts and polo shirts available for sale during the July meeting. The t-shirts are \$15 and available sizes are XL and 2XL. There are two polo shirts available, one each in Medium and 2XL, for \$20.

New polo shirts have been ordered and might be available during the July meeting. They have not been received. Women's polos have also been ordered. The cost of these polos will be \$25.

## Project Update: First Flight

By Fred Wellman

On 5/25/21 Jeff Noyes flew my Sport Panther on its first flight. The flight lasted a little over an hour. The engine broke in nicely and it flew great with no squawks. Another completion for our chapter!

## Congratulations Bernie Ockuly!

By Gary Baker

Bernie Ockuly has received the FAA Wright Brothers Master Pilots Award! This award is the most prestigious award the FAA issues to pilots certified under Title 14 of the Code of Federal Regulations (14 CFR) part 61. It is named after the Wright Brothers, the first US pilots, to recognize individuals who have exhibited professionalism, skill, and aviation expertise for at least 50 years while piloting aircraft as "Master Pilots."

Bernie soloed a Cessna 140 on April 16, 1969, at Dahio Airport (I44). Since his solo, he has restored an Ercoupe and built an RV-7A. He has flown around the country with his aircraft, including a trip to Alaska in his Ercoupe with his younger daughter, Lindy.

To be eligible for the Wright Brothers MPA, nominees must meet the following criteria:

- Hold a U.S. Civil Aviation Authority (CAA) or Federal Aviation Administration (FAA) pilot certificate.
- Have 50 or more years of civil and military flying experience.
  - Up to 20 years of the required 50 years may be U.S. military experience.
  - The effective start date for the 50 years is the date of the nominee's first solo flight or military equivalent.
  - The 50 years may be computed consecutively or non-consecutively.

Be a U.S. citizen.

Congratulations on your award, Bernie!

## Project For Sale:

By Edward Agoston

A GlasStar Sportsman kit is for sale. It's a tail dragger, but can be completed as a tricycle gear with additional parts. It is a complete kit less avionics and firewall forward. All is crated with the exception of the horizontal

*Photo is for reference only*

stabilizer which is the only component that has been started. Life got in the way. It's time to let it go. Interested parties can reach Edward Agoston at 440-724-7093 or [enagoston@aol.com](mailto:enagoston@aol.com).

## Flight Test Seminar at Oshkosh

Chapter member Gary Baker will be presenting his program "Preparing for Your First Flight" at this year's AirVenture. This forum will assist the builder in getting ready to conduct the first and future flights in their new airplane. Gary is an EAA Flight Advisor and has worked with many homebuilders in preparing for their first flight. He has also conducted the first flights in his RV-6 and a Falco.

Gary will present his program at Forum Stage 6 Monday, 10 a.m. and in the Homebuilders Hangar Thursday, 11:30 a.m.

## Ray Aviation Scholars Update:

By Mile Guenther

Our Ray Aviation Scholars continue to make good progress with their training. Abby Donofrio is currently studying very diligently towards the completion of the FAA Private Pilot Knowledge Exam which is a big step in the process. She anticipates completing the written exam just in time to attend and represent Chapter 846 at AirVenture 2021! Wish her luck with her written test! Mathew Recker has begun his flight training at Ashland airport picking up right where he left off during his previous training. Matt is quickly getting back into the swing of things and will continue to work towards his re-solo in the coming weeks. Both Matt and Abby have big milestones in their training journey coming up so please extend your encouragement and well wishes when you see them next!

## 2021 EAA Chapter 846—Calendar of Events

Thursday, July 8, 2021	EAA Chapter 846 Monthly Meeting	July chapter meeting will be held in the Chapter Hangar at Skypark	7:00 PM
Thursday, August 12, 2021	EAA Chapter 846 Monthly Meeting	August chapter meeting will be held in Gary & Mary Baker's hangar at the Medina Airport	7:00 PM
Thursday, September 9, 2021	EAA Chapter 846 Monthly Meeting	September chapter meeting will be held in the Chapter Hangar at Skypark	7:00 PM

### Current Member Projects:

- ◆ Ron & Paul Lutz, Rans S20.5 kit on order, due in June
- ◆ Joe Walker, RV-7 - Working on the instrument panel & wiring
- ◆ Mike Baker, Sonex - Fitting the cowling
- ◆ Rob Trout, RV-14 - Working on the tail cone, riveting skins
- ◆ Paul Hanchek, Skybolt, fuselage on rotisserie, adding sub structure
- ◆ Jeff Hartzler & Steve Zaleski,
- ◆ Barry & Valerie Wawrin, RV-14A, New Engine arrived
- ◆ Dale & Nancy Housley, Volmer VJ-22 - Purchased a project and a new set of plans
- ◆ Bernie May, Zenith CH750,
- ◆ Curt Speck, Zenith CH750 Super Duty,
- ◆ Mike Guenther, RV-8, working on horizontal stabilizer
- ◆ Jeremy Cowger, Zenith CH750, moved to Skypark hangar, first start from fuel tanks
- ◆ Randy Brooks, Rans S21 kit, working on the left wing
- ◆ Matt Tomscheck, Highlander, horizontal stab, elevator covered
- ◆ Brad Wurst, Preceptor Super Pup

**Answer:** The Lightning was developed by designers Pete Krotje, Ben Krotje and Nick Otterback. Originally designed as a high speed, [low wing](#) composite aircraft for the Jabiru series of engines, the LS-1 was redesigned to meet American light-sport requirements by extending the wings to lower the stall speed and using a fixed pitch propeller. The aircraft is made from composites. In the homebuilt kit version its 30.5 ft (9.3 m) span wing has an area of 91 sq ft (8.5 m<sup>2</sup>) and mounts [flaps](#). The aircraft's recommended engine power is 120 hp (89 kW) and the standard engine used is the 120 hp (89 kW) [Jabiru 3300 four stroke](#) powerplant. Construction time from the supplied kit is 800 hours.

**Source:** <http://www.flylightning.net/home.html>

# SkyPark's Summer Celebration 2021

The last Sunday, June 27th was SkyPark's Summer Celebration and our chapter was well represented by members and airplanes. Due to the windy conditions the bomb drop and spot landing contests had limited participation. The afternoon started off with a lunch cooked by Bob Taylor, Randy Brooks and Paul & Kristi Lutz. Instead of an afternoon competing in the contest we did a lot of socializing and hanging out. We introduced many people to EAA and even signed up some new members. Thanks to everyone who came out and made it another successful event.

# Sentimental Journey

After years of thinking about going to Sentimental Journey, I finally decided this was the year. Randy Brooks was flying his Cub and we flew our C182. We departed SkyPark Thursday after work for our 1st camping trip with the C182. Sentimental Journey is the annual gathering of Piper Cubs at the airport where they were built. Lock Haven, PA is nestled in a valley between the mountain ridges. Arriving at Lock Haven, Randy had a spot waiting for us across from where he was parked. We spent the evening watching airplanes flying off the grass runway. Cubs were back in the pattern at 6:15 the next morning. There is just something about classic taildraggers flying off a grass runway.

After walking the flight line and looking at all the planes it was time to pack up. Tim Cochrane and his boys were flying to Penn's Cave, PA and invited us along. After a short flight we were parked and walking to the cave. The cave tour takes you through the cave on a boat. The water in the cave comes from the nearby Penn's Creek. After enjoying our tour it was time to fly home. We had a great trip and are ready for the next one. Also, congratulations to Randy who was awarded **"The Best Antique"** for his 1940 J3 Cub.

# EAA Chapter 846 Members Thru June 2021 List: page 1 of 2

# EAA CHAPTER 846

## Chapter Meeting

### Minutes of the June 10, 2021

The meeting was called to order by President Paul Lutz at 19:00.

Guests Present: Adam Hile and Scott Mills. New member Lee Prieis introduced himself.

Officers Reports.

-President: Paul Lutz welcomed everyone to the first meeting of the year with a picnic and thanked them for attending.

- Secretary: Greg Cantrell reviewed the minutes, and with no additions or corrections recommended, a motion was made by Bob Taylor and seconded by Fred Coblentz to accept the minutes as written. The motion passed.

-Treasurer: Gary Baker reported there were sufficient funds in the treasury for chapter business and that we now have 85 paid members for 2021.

-Ray Scholarship Update: Casey Kiebler for Mike Guenther Abby Donofrio is finishing ground school and should be taking her written exam in the next 1-2 weeks.

Matthew Recker is trying to find an instructor at Ashland that will work with his schedule.

-Hangar Addition Update: Randy Brooks

The drawings made by Pete Klapp are with the engineer. He is in the process of the final revisions so the plans can be stamped and taken to apply for the building permit. There was a member suggestion to consider delaying the project until the cost of materials comes down, but no action was taken at this time.

-Chapter Pancake Breakfast/Fly-in Update: Greg Cantrell

The tentative date for the chapter pancake breakfast and fly-in is September 18, 2021. More information will be coming concerning committees and volunteers needed.

-Young Eagles Update: Gary Baker

Saturday June 19, 2021 Chapter Member Josh Moore will be coordinating a program for Boy Scouts to earn their Aviation Merit Badge. The program will include Young Eagle flights.

Gary reported that Saturday July 17, 2021 will be the day the chapter provides Young Eagle flights at Wadsworth Airport.

-Joe Begany Memorial Update:

Ben Nagy is working on contacting family members about the Memorial on August 1, 2021 at Oshkosh.

Paul Lutz reported there would be a fly-out to Swank Field for breakfast June 12, 2021. Those wishing to participate should meet at Skypark at 7:30.

Paul also reported the Skypark Summer Celebration will be June 27, 2021 and will be starting at 11:00. There will be the usual activities and a car show. The chapter hangar will be open for members who wish to stop by.

-Monthly Program: Aircraft Covering Randy Brooks & Bob Taylor

Randy presented information about poly fiber covering material. His presentation included the various steps involved and the supplies needed to use the system as well as some advantages and disadvantages.

Bob discussed the Stewart Covering System, which is a water-based system. His presentation included a history of water-based products as well as their current approved uses. He also discussed the process and various steps, as well as advantages of the system. Bob finished with a short video about the gluing process.

-Project Updates:

Jeremy Cowgar- Zenith 750- Moved plane to Skypark hangar, working on doors and windows, fuel flow testing.

Mike Baker- Sonex- Working on the cowling

Randy Brooks- Rans S-21- Tail feathers completed, working on the left wing.

Barry Wawrin - RV14A - Received the Lycoming 390 engine and is working on the wiring.

Steve Zaleski – Drifter - Mounted the wings and Rotax engine.

The next monthly meeting will be July 8, 2021 at the chapter hangar. The program will be "Flying to Oshkosh", and will be presented by Gary Baker and Randy Brooks.

With no other business to be brought before the chapter, a motion to adjourn was made by Jeff Paden and seconded by Fred Coblentz. The motion passed.

Respectfully submitted,  
Greg Cantrell  
Secretary, EAA Chapter 846
