## Rans S-21 - Build Update

By Randy Brooks

Since I received my RANS S-21 kit on 3 April, I've been busy deburring, installing clecos and pulling rivets. All the tail feathers are complete- the rudder, vertical stab, horizontal stab, elevator and trim tab. I've been working on the left wing for about 2 weeks and it is ready to cleco on the skin for initial fit and match drilling. The majority of the rivet holes in the kit are pre-punched or drilled at the factory with only critical match drilling and fitting to do on spars and attach points like the wing mounts. I still have a lot of work to do on the left wing—running wires for nav/strobe, landing lights, pitot heat, installing the pitot tube and OAT probe, installing the fuel tank—before it's ready for final riveting of the top and bottom skins. So far, I've been very impressed with the fit and finish of all the kit components. Rans does a great job in this regard.

## Welcome A New Member and Our May Guests...

By Gary Baker

Please welcome Steve Bauman to Chapter 846. Steve and his wife, Karen, live in Medina. Steve is a private pilot and retired mechanical engineer. He retired from NASA Glenn Research Center and enjoyed Leah McIntyre's presentation on her NASA programs during the May meeting. Thank you for your membership, Steve! Welcome to the chapter!

Also welcome our May meeting guests Dennis Bays II, Shannon O'Brien, Esther Lin, and Annareka Akovity.

## AirVenture 2021

The chapter has reserved the Chapter Pavilion in Camp Scholler for our annual pizza party! This party will be held Thursday evening, July 29. More details will be coming in the next few months. Mark your calendars!

## Project Update: Vans RV-14A

By Barry Wawrin

After a six week delay our Lycoming IO-390 has arrived. It will sit in it's beautifully pack crate for a while though because, every fitting required to complete the firewall forward is on back order; with no known ship date.

We are selling the stock, left mounted Slick Impulse Magneto, model 4372. We are going with dual Pmags. Text me at 330.414.0082 if you're interested in the Slick.

## Project Update: Zenith 750 Super Duty

By Jeremy Cowgar

We moved the plane from the garage to our Skypark hangar. The wings and tail surfaces are now installed! Fuel flow testing is next, then re-install interior and move on to the windows and miscellaneous cleanup/organize jobs.

## Joe Begany's Memorial at Oshkosh

Chapter member Joe Begany, who lost his life in an aircraft accident in 2019, will be memorialized at Oshkosh during AirVenture '21. All chapter members who will still be at Oshkosh that day are asked to join in the dedication service on the last Sunday of AirVenture, August 1, at 10 a.m. Many thanks to Ben Nagy for submitting the chapter's application for Joe's submission.

The following was received by Ben from EAA:

"Thank you for your submission to honor your loved one on EAA's Memorial Wall. While we all missed having AirVenture 2020, we are excited to honor the 2020 and 2021 inductees at the annual dedication service on the last Sunday of AirVenture, August 1st, 2021 at 10 a.m. This heartwarming ceremony includes a poignant reading of inductees' names, a breathtaking missing man flight formation, and concludes with the playing of taps."

## Flying into EAA AirVenture Oshkosh

by Gary Baker

There will be a webinar on this year's NOTAM offered by EAA Wednesday, June 23, 8 p.m. To sign up, register at [Tips for Flying Into EAA AirVenture 2021](#).

July's Chapter program will be conducted by Randy Brooks and Gary Baker. They will also be giving a presentation on flying into Oshkosh and reviewing the new information in the NOTAM. The July meeting will take place July 8 at the Chapter hangar.

The NOTAM booklets will be available in print during the first week of July. An order for twenty-five booklets has been placed with EAA. Hopefully, they will be available to Chapter members at the July meeting. The NOTAM can be found at <https://www.eaa.org/airventure/eaaflyin-flying-to-oshkosh/eaairventure-oshkosh-notam>.

If you are planning on flying in this year, please take a few hours (not minutes) and familiarize yourself with this year's changes. Also, be aware that the NOTAM is in effect two days earlier than in the past, Thursday, July 22, beginning at noon.

## Dues Are Payable in Person This Month!

2021 dues can still be paid by cash or check at the June meeting, since we will again be holding an in-person meeting. Please complete the Membership Form and bring it with your payment. Checks can be made payable to EAA Chapter 846. A current list of paid members is included in this month's Wingnut. This list also includes the status of each member, as some have paid next year's dues and others have Family, Lifetime and Honorary memberships.

Dues can always be paid by going to the Chapter website <https://chapters.eaa.org/ea846/membership-benefits/join---renew---donate>. Payment can then be made using PayPal. Please send any changes in your information to Gary Baker at [ggbaker@zoominternet.net](mailto:ggbaker@zoominternet.net). Thank you for your membership in 846! **"SEE PAGE 10 FOR THE NAMES OF THOSE WHO HAVE PAID THEIR DUES IN 2021"**

## Congratulations Jason!

Jason Lorenzon's hard work and studying has paid off! He is very excited to now be Board Certified in Aviation Law by the Florida Bar. Congratulations, Jason!

## Congratulations, Bob Taylor!!

Bob Taylor flew his Rans S-20 for the first flight April 22, 2021 and was presented with his Homebuilder's Award by Chapter President Paul Lutz during the May meeting! This is Bob's second aircraft build, the first being a TigerCub. Well done, Bob! Again!

## Congratulations to Abby Donofrio and Matthew Recker our Chapter's Ray Scholarship Winners!

Abby Donofrio and Matthew Recker were awarded their Ray Scholarship checks in the April 2021 chapter meeting by acting Chapter President Paul Lutz.

## Case McIntyre EAA Chapter 846 Air Academy Camp Scholarship Winner!

by Gary Baker

Case is being presented with his check by Paul Lutz, our acting chapter President. Case is our 2021 Air Academy Camp Scholarship Winner. Case will get to explore the many facets of aviation at EAA's summer camp.

## A Big Thank You for Leah McIntyre

by Mike Baker

Leah presented our May program where she talked about her 20 plus year career as an Engineer and project leader at the NASA Glenn Research Center in Cleveland. If you missed this program, you missed a very informative session. Thanks again Leah!

## Aircraft Exhaust

By Bradley Wurst

I have some exhaust tubes that Fred gave to be, but it is too big for the my VW engine. Free to anyone that can use them.

- 1 3/4" OD
- 0.025" wall

The flange bolt holes are 2.5" on center. Call or text if interested

## Project Update: Wind Tunnel

By Brian Burke

The work on the wind tunnel continues with the fabrication of the neck.

## Using The On-Line Chapter Roster

By Gary Baker

The Chapter's roster is available at <https://www.eachapters.org>. Your User Name is (First Name)(Last Name)EAA846, i.e. GaryBakerEAA846. The initial password is mustang, for your first time logging on. After you have logged in, please click on the Change Password.

Click on Member Search to bring up the available options for displaying the Members List. If you wish to see all names in the roster, click on the Search button. This will then present the list of all Active Members, currently at 80 as of 6/7/20. This list includes some members who have not paid dues for the past few years. You may check your status by clicking on your name. Any problems, corrections or updates should be directed to Gary Baker at [ggbaker@zoominternet.net](mailto:ggbaker@zoominternet.net).

If your Expire Date is 12/31/2020 or earlier, your dues are in arrears. Please bring them up to date at your earliest convenience. You may also check the status of your membership status with EAA National. This roster is combined with the EAA database and checks your expiration date, as well as your Youth Protection and Background Check for the Young Eagles program. Please understand that this roster is for Chapter use only and is not to be distributed for any purpose. If any members believe that any aspect of the roster should be sent to anyone, please forward the request to Paul Lutz, President, for approval.

Headshot photos of each member are being added to the roster. If you have a favorite photo, you would like inserted into the roster, please send it to Gary Baker.

## Project For Sale:

By Edward Agoston

A GlasStar Sportsman kit is for sale. It's a tail dragger, but can be completed as a tricycle gear with additional parts. It is a complete kit less avionics and firewall forward. All is crated with the exception of the horizontal

*Photo is for reference only*

stabilizer which is the only component that has been started. Life got in the way. It's time to let it go. Interested parties can reach Edward Agoston at 440-724-7093 or [enagoston@aol.com](mailto:enagoston@aol.com).

## 2021 Young Eagles Update

By Gary Baker

With Ohio relaxing the Covid-19 restrictions, would chapter members be interested in holding a small Young Eagles event Saturday, July 17? Gary Baker, Young Eagles Coordinator, is sending emails to parents of potential Young Eagles to gauge interest. EAA is doubling the value of Young Eagles credits for flying kids from \$5 to \$10 thru the end of August. These credits are used to offset the cost of the annual Air Academy Scholarship. It would be great to capture some of the higher value credits this summer. Pilots and ground volunteers will be needed.

This will be discussed during the June meeting. If this date works for many members, a signup sheet will be passed around. Let Gary know if you're able to assist.

## Tail Picker 2 - For Sale

I have a "Tail picker 2" tailwheel hand tug from Aircraft-tugs.com. 4,000 lbs capacity, originally sold for \$280. I am asking \$75. See photo below.

Fred Wellman: Ph 216-798-8363, Medina airport Hangar F-17.

May 12, 2021

To the EAA Chapter 846 Board of Directors:

I regretfully inform you that I resign my 2020 Ray Aviation Scholarship, which was awarded to me in the amount of \$10,000.

Although I remain interested in aviation and am extremely appreciative of this opportunity and the support EAA Chapter 846 has given me in the process, I can no longer participate in the scholarship due to other commitments. These include preparing for college, taking college-level final exams, and participating in important year-end school and extracurricular activities. Unfortunately, the circumstances of the pandemic have prevented me from having adequately pursuing my private pilot's license safely and reasonably.

I understand that the money I did not use from my scholarship will be returned to EAA and the Ray Scholarship program. I have discussed and agreed upon my resignation with the EAA Chapter 846 Ray Scholarship coordinator, Mr. Michael Guenther, my parents, and my flight instructor.

Thank you,

Ferenc Somogyi

# EAA CHAPTER 846

## Chapter Meeting

### Minutes of the

#### May 13, 2021

The meeting was called to order by President Paul Lutz at 19:12.

Paul welcomed everyone and introduced guests Esther Lin, Shannon O'Brien, Dennis Bay II, Annareka Akovity, and new member Steve Bauman. Ed Agoston was introduced as a newer member who joined the chapter in February.

#### -Secretary's Report:

Secretary Greg Cantrell thanked Randy Brooks for filling in for him at the last meeting. After reviewing some omitted items from the minutes published in the Newsletter, a motion was made by Fred Coblenz and seconded by Jay Hovanec to approve the minutes. The motion passed. Mike Baker announced he would be resending the newsletter with the corrected minutes to board members and revised version for the website.

#### -Treasurer's Report:

Treasurer Gary Baker reported there were adequate funds in the treasury for chapter business. Gary also explained the return of funds to EAA National in regards to 2020 Ray Scholarship recipient, Ferenc Somogyi, discontinuing his flight training.

#### -New Business:

Bob Taylor proudly reported he had completed his first flight in the newly built RANS S-20 on April 22, 2021. President Paul Lutz presented Bob with his Completion/First Flight Plaque. Congratulations Bob!

#### -Ray Scholarship Update: Mike Guentner

Mike introduced the 2021 Ray Scholarship recipients, Abby Donofrio and Matthew Recker. Mike and the recipients thanked the chapter for approving two scholarships this year.

Mike presented Abby with a hat, shirt, and welcoming kit from EAA. Abby is working on getting ready to take the written exam. Matt's scholarship is a couple of weeks later and he will be receiving his welcome kit shortly. Matt is starting his flight training at Ashland County Airport.

Mike also explained to the chapter the situation with Ferenc Somogyi, the 2020 Ray Scholarship recipient, and his reason for discontinuing his flight training and scholarship.

-Air Academy update: Paul Lutz awarded a large check to Case McIntyre, the 2021 Air Academy recipient, for the Air Academy Camp which he will be attending next year.

President Paul Lutz reported a number of fly-ins are already being planned for this summer:

Wayne county Airport Lunch Fly-in May 15, 2021

Fremont Pancake Fly-in May 29, 2021

Toledo Pancake Fly-in June 12, 2021

Beach City Father's Day Fly-in June 20, 2021

Sentimental Journey Fly-in Lock Haven Pa. June 22-26, 2021

EAA Chapter 846 Swank Fly-in/ Campout August 20-22, 2021

Paul went over the planned chapter activities at Oshkosh. The bonfire will be Tuesday July 27 at Paul's campsite at Sleepy Hollow Farms Campground and the Chapter picnic will be Thursday July 29 at the Camp Scholler Chapter Pavilion.

-Program: Presented by chapter member Leah McIntyre, Aerospace Engineer at NASA Glenn Research Center

Leah presented a very interesting and informative program about her work at NASA Glenn for the past 21 years. The program provided information about her three main areas of interest. These are:

Fluids and Combustion- Propulsion mixtures and fuel efficiency

The Orion Project- Developing space craft for long range space travel

Radioisotopes- Developing a power system by taking heat and turning it into electricity.

Gary Baker presented a picture showing the result of hydraulic lock. He discussed hydraulic lock on radial engines due to not pulling the prop through enough times before starting.

The next regular Chapter meeting will be June 10, 2021 at the Chapter hangar. The program will be on fabric covering and will be presented by Bob Taylor and Randy Brooks.

With no other business to be brought before the Chapter, a motion to adjourn was made by Randy Brooks and seconded by Paul Lutz. The motion passed and the meeting was adjourned at 20:43.

Respectfully submitted,  
Greg Cantrell  
Secretary, EAA Chapter 846
