Join us for our upcoming EAA Chapter 846 Monthly Meeting on **Thursday, November 10, 2022.**

The meeting for November and beyond (*until our hangar deck is completed*) will be the Skypark Airport FBO conference room. Social time begins at 6:30 pm with the regular meeting beginning at 7 pm.

November Meeting Agenda:

- Officer Reports
- November Safety Topic— Risk Management, **Greg Cantrell**
- November Program— Aircraft Insurance, **Tom Dus'**
- Ray Scholarship Updates
- Hangar Addition Status
- Project Updates

Getting on a plane, I told the ticket lady,
"Send one of my bags to New York, send
one to Los Angeles, send one to Miami."

New Members & Visitors!

October meeting Guest- Jack Armstrong

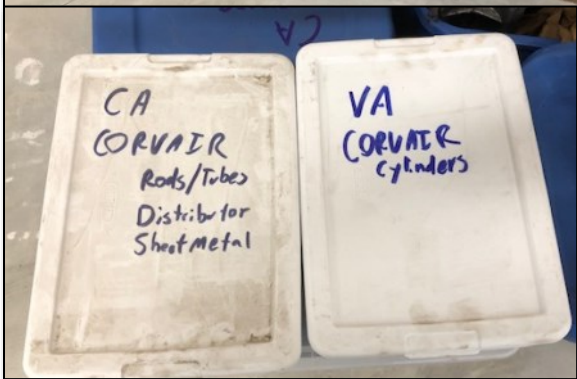

Jay's Got a New Project!

Jay Waddell has acquired parts of a Pietenpol Air Camper from one of EAA Chapter 1114 members. An all wood and fabric plane. A portion of the fuselage has been completed as well as the tail feathers. As they say--15% complete--95% to go, so there is plenty of carpentry work to complete and new skills to learn with the fabric work. Also included in the acquisition were two Corvaer engines--well boxes of parts for two engines anyway!

EAA 846 Chapter Deck and Tool Room Project

By Randy Brooks

Work progresses on our Chapter Deck and Tool Room Project. Over the last weekend in October, our group of intrepid carpenters (?) made great progress on the deck. The stair stringers were completed and fastened in position. The stair treads were cut and installed. Amazingly, everything fit and was level. (Thanks, in great degree to David Gerdeman and Dave Manning's expert cyphering). The next step in the project is to finish up small details prior to calling Medina County for a framing inspection. Then, we will need to build and install the handrails for the stairs and deck, in addition to framing and installing the metal walls for the toolroom. Watch for future emails on upcoming workdays and come out to help with this cool project.

Deck photos!

Below are the list of active deck volunteers to date. *My apologies if I missed someone– Karl*

- David Gerdeman
- Randy Brooks
- David Manning
- Brian Burke
- Colm Burke (*Brian's son*)
- Rob Trout
- Dale Housley
- Jay Waddell
- Chris Oehlers
- Ron Lutz
- Paul Lutz
- Paul Hanchek
- Mark Moser
- Steve Lehuta
- Lee Preisse
- Kevin Fink
- Bob Sprang
- George Salcewicz
- Greg Cantrell
- Brad Wurst
- Jerry Wang
- Brian Brede

and material. These discussions are aimed to improve everyone's understanding and knowledge of flight. All pilots and future pilots are invited to join us.

More information can be found [HERE](#).

Ray Scholarship Update!

By Mike Guenthner

Logan Cohara continues to work towards his solo cross country flights with his new instructor. Additionally he is preparing to take his FAA written examination and work on the night flight training requirements. Logan recently received a free LightSpeed Zulu 3 headset courtesy of the Ray Scholarship program, EAA and LightSpeed for completing his first solo flight this past summer! Congratulations, Logan!

Chapter 846 IMC & VMC Clubs

Over the past few years, **Jason Lorenzon** has volunteered as the IMC Coordinator for the chapter. The IMC Club has regularly met at Wadsworth Municipal Airport monthly and has promoted instrument flight proficiency and safety. Jason has stepped down from that position and Ned Parks has taken over as a Coordinator. Ned is a long-time instructor, board member of ECOPA (East Central Ohio Pilots Association), and owner of a consulting firm, Aegis 360 Consulting. Ned will be moderating the new IMC Club in conjunction with ECOPA, instead of Chapter 846. Meetings will be held in the New Era Restaurant, 10 Massillon Road, Akron, OH 44312, generally during the last week of each month.

Gary Baker has volunteered to start a chapter VMC Club. This Club will meet initially on Thursday, December 1, in the meeting room at the Wadsworth Skypark Airport, 7 p.m. This group will discuss real-world scenarios that might be encountered by pilots planning or flying a flight in VMC conditions. Look for an email about a week prior to the meeting which will contain the discussion question

Ray Scholars Take Flight - In another first for our Chapter, two of our Ray Scholars have flown together for the first time! Our 2021 Ray Scholar, **Abby Donofrio** recently invited our current scholar **Logan Cohara**, along for a relaxing evening flight. Judging by their smiles they had a great time! This is the essence of the Ray Scholarship program and embodies the best of our Chapter, EAA and the Ray Scholarship program.

My Place Fly-in, October 9, 2022

“The best variety of food you will EVER receive at a fly-in”

“If you leave hungry- you didn't attend!”

RV-8 Build Progress!

Mike Guenthner

Currently working on the right elevator. All parts have been prepped and are ready for paint and final assembly, left elevator to follow. I have been prepping my working area for the upcoming winter season and the arrival of the wing kit sometime after Christmas.

EAA CHAPTER 846

Chapter Meeting

Minutes of October 13, 2022

Meeting called to order by President Chris Oehlers @ 1905

Guests introduced: Jack Armstrong and Rick Ranaudo (former Chapter member).

-Minutes from Sept 8,2022

Meeting put forth by Gary Baker to be accepted as written in the October 2022 newsletter. Brad Wurst seconded. Members present accepted by show of hands. None opposed.

-Treasurer's Report:

Gary Baker reviewed the current financials and reported sufficient funds available to continue Chapter operations.

-VMC/IMC Club:

Gary Baker reported current Club is in flux. Jason Lorenzen stepped down as IMC coordinator. Gary asked for interest in continuing with a VMC Club for the Chapter. Show of hands indicated interest in this idea. Gary will send out info.

-Air Academy:

Gary Baker reported our 2023 Scholarship is approved for the first Advanced Camp session in 2023. Further information will be announced for application process.

-Deck Project:

Roof decking on tool room complete. Next is rubber roof install and water proofing followed by deck framing. Next workday is Sunday, Oct 16 @ 0900. Volunteers are requested.

-TriPacer Update:

Randy Brooks reported that Bruce Anderson, who is donating the TriPacer project needs the aircraft

moved on or about 23 Oct. Plan is to move the project to Jeff Paden's hangar in Medina temporarily. Thanks to Jeff for offering his hangar for storage.

-Ray Scholarship update:

Logan Cohara reported via Facetime that he is working on his XC time with his new instructor. Plan is to finish by the end of December.

-Air Academy After Action Report:

Case McIntyre gave an informative Power Point presentation on all the activities he experienced during his Air Academy week at Oshkosh in July. Case thanked the Chapter again for this wonderful opportunity and expressed his interest in obtaining his Private Pilot license in the near future.

-October Safety Briefing:

Chris Oehlers presented an informative and interactive presentation on Airport Signage and markings. Thanks to Chris for filling in this month.

-Rich Ranaudo related some very interesting flying stories from his time as a NASA test pilot at the Glenn Research Center. Thanks to Rich for this informative, impromptu presentation.

Meeting was adjourned @ 2037.

Thinking about buying a bush plane. The owner says it has a fresh annual, but the logbooks are missing. The price is good, what do you think?

EAA CHAPTER 846 Board Meeting Minutes of November 2, 2022

President Chris Oehlers called the meeting to order at 19:15

Board members present: Randy Brooks, Ron Lutz, Paul Hanchek, Paul Lutz,

Gary Baker, Chris Oehlers, Brian Burke, and Greg Cantrell

Deck Update: Randy reported the railing needs to be finished. We can then schedule the final framing inspection.

Chapter Christmas Party: Paul Hanchek reported the bowling alley in Wadsworth has a banquet room we could rent. Katie Hanchek will check on availability. The discussion was to have the party in January. Chris will also ask members at the monthly meeting for other venue ideas.

Tri Pacer update: Randy reported he has a signed bill of sale and discussed getting the FAA registration in the Chapter's name. We cannot sell the plane until this step is completed. He also pointed out we need to get the state registration. After some discussion it was decided to start advertising at a price of \$10,000. Randy suggested asking Chapter members at the upcoming Chapter gathering for a volunteer to oversee the sale of the plane.

2023 Pancake Breakfast Update: After discussion concerning the 2023 Chapter pancake breakfast and fly-in, a tentative date of September 16, 2023 was decided on for the event and it will be held at the Wayne County Airport. (KBJJ)

Young Eagles Update: Gary reported on tentative dates of May 20, 2023 and June 24, 2023 for the Chapter's two Young Eagle events. These will be held at Wayne County Airport. (KBJJ)

EAA Home builders Week: Gary reported EAA is again planning the Home builders Week for the last week of January, 2023. The dates will be January 23 thru January 27, 2023. There will be 5 webinar presentations per day. Gary will present a webinar on Flight Testing Basics Wednesday, January 25, 2 p.m.

Paul Lutz reported that Chapter member Phil Rodopoulos is checking into getting Wi-Fi for Phil's hangar and adjoining hangars, which includes the Chapter hangar.

Monthly Programs and Safety Topics: Paul Lutz suggested asking the membership at the upcoming monthly meeting for ideas on 2023 monthly program and safety seminar topics.

With no other business to be brought before the Board, a motion to adjourn was made by Chris Oehlers and seconded by Randy Brooks. The motion passed by a voice vote and the meeting was adjourned at 20:52.

Respectfully submitted,

Greg Cantrell, Secretary EAA Chapter 846
