

Chapter 864 Tool Crib

Chapter 864 has these tools located in the Chapter Hanger #82 ½ at St. Louis Regional Airport.

If you need to access the hanger, please contact a chapter leader for key location.

If you use any of the tools, please make sure you sign them out/in on the clipboard located on the shelves.

If there are tools that you feel would be useful for the Chapter to obtain, please contact a Chapter leader. Tool donations are also accepted!
