Next Meeting

Our next meeting will be a cookout at the EAA half-hangar (aka hangar "82 1/2") and will start at 6:30pm. We'll be cooking up the leftover burgers and hot dogs. There will also be chips, potato salad, coleslaw, soda (Mt Dew, Sprite, Root beer) and some water. All the drinks will need to be gone out of the hangar after the meeting as we can't leave them during the winter.

Topics will include our successful fly-in and Young Eagle events, plus deciding on where our holiday dinner will be. We have some chairs but recommend bringing a lawn chair. If this is your first visit to hangar "82 1/2", please see the last page for directions and entry instructions.
