Important Notes

If you've ever borrowed the EAA cable tensioner, please check your hangar. It's missing, no name listed for it on the sign-out sheet in the equipment room, and **it's needed urgently**. We've all probably found things in our hangar we had no idea we still had, so please look around and get it back ASAP. 🙏

The Chapter Christmas dinner was a wonderful evening full of camaraderie, holiday spirit, and great food! Thanks to all who attended and helped close out 2023. On a related note...

Our chapter took an unexpected hit paying for folks who RSVPed but didn't show at the dinner. The chapter committed to Laux Brickhouse for the number – and paid in full for meals – for everyone who committed to attend. If you RSVPed and didn't attend, please contact Rick Huebner to cover your costs.
