- **FLIGHT TO SUCCESS**
by Greg Thomes, Chapter President

Music from the Black Eyed Peas caught my ear as I was thinking about 2018. Their hit song, "Gotta Feeling" (circa 2009) should be our theme song this year!

Already 2018 has had many good things happen...with the Vikings' Minneapolis Miracle, a 'blow-em-out' successful Maple Lake Ice Fishing Derby (in which I'm actively involved), and with a robust economy.

Thinking about the many things EAA Chapter 878 has going this year, I feel that this will be one of our greatest, most historical, as a chapter. Thank you for your many efforts to making (as the Black Eyed Peas would say)... "2018 is gonna be a good-good year."

May your skies be bright and breezes light.

Greg

For that information, see the EAA Chapter 878 website, www.878.eaachapter.org/, other websites such as <http://www.flyins.com> and www.socialflight.com, or the various Calendars of Events in magazines, websites and airport bulletin boards.

- **MID-WINTER WARM-UP / CHILI FEED / FLY-IN**
by Wayne Flury

Things are coming together for the February 10th Chili Feed. The long range forecast is currently favorable but, as anyone in Minnesota knows: "If you don't like the weather, just wait a minute!"

The chili (with toppings) will be \$5 per bowl. Hot and cold drinks are extra. Serving from 10 a.m. to 2 p.m. (or until the chili is gone).

The music, from 11 a.m. to 2 p.m., is by *Cowboys in Sneakers*, a folk/rock group from the Dassel/Cokato area.

Volunteers to assist are needed at 9:00 am for set-up and prep, plus serving through to 2 pm, and then for clean-up.

Please help to make the Chili Feed another of Chapter 878's great (and profitable) events!

- **YOUR YEARLY CHAPTER 878 DUES ARE DUE**
by Wayne Flury

Your dues to the chapter for 2018 become due this month. Your membership in the chapter is dependent upon maintaining a current "dues-paid" status. Several members paid at the January meeting, and others have been mailing their dues to our Treasurer Dick Burns. Either way is good.

As established in our chapter bylaws, "Payment of dues shall be made to the and shall be payable January 1 of each year for the period of January 1 through December 31."

Note: if you joined the chapter during this past year, please check with our Chapter Treasurer Dick Burns regarding your individual status. Persons joining late in the year have generally been considered to be "Paid" for the following year.

Contact info for Chapter Treasurer Dick Burns is: 9620 50th St. W612-723-3052 / 952-473-1887
Veseli, MN 55046 dickburns1@aol.com

As noted in the Chapter Info on page 12 of this newsletter, our dues structure is: Dues are \$10 per year for members up to 35 years of age, \$25 per year for age 35 and over.

Please help our treasurer by paying with a check made out to EAA Chapter 878. Paying with cash, while acceptable, puts the burden of proper tracking on Dick. He may have several people throwing money at him at the same time!! If you do pay by cash, please attach your name to the payment!!

Note (1): Chapter dues are not the same as your national EAA dues.

Note (2): Also, if you are receiving this newsletter, but no longer want to be a part of our chapter, please let us know that too.

- **CHAPTER VOLUNTEER OPPORTUNITIES**

YOUNG EAGLES COORDINATOR

Our current Young Eagles Coordinator, Tim Bond, advised the chapter last month that he and his wife, Carla, are moving from the area. Therefore we need someone to step in and take over this very important position. Responsibilities include: familiarization with the program, operation and goals; coordination with the Oshkosh EAA headquarters; promotion of the program to chapter members and youth; and promote and assist members with their involvement with Young Eagle flights. Contact any chapter leader if you are interested. Also see: <https://www.eaa.org/en/ea/aviation-education-and-resources/ea-youth-education/ea-young-eagles-program>.

MOBILE SIGN TRAILER MANAGER

The chapter has two mobile sign trailers (a donation to the chapter under our non-profit status). Renting them to local businesses and organizations is a potential source of chapter income.

A person (or persons) is needed to organize and direct this effort, and will include advertizing, establishing a rental price, setting up contracts with renters, monitoring condition of the trailers, and general supervision of the program. We also need to be sure we are in compliance with any regulations regarding rentals of such equipment, and insurance.

The signs have been used for the February 3rd Maple Lake Ice Fishing Derby, so we're already into the business! You can help the chapter take the next steps!

Sign trailers as originally received from West Metro Aviation last summer.

- **CHAPTER VIDEO MAGAZINES**
by Wayne Flury

EAA's Chapter Video Magazines are distributed exclusively to EAA chapter leaders for the specific purpose of showing at chapter meetings. However, many chapters (Chapter 878 is one) don't typically use the videos in regular meetings, and many members don't regularly attend the monthly meetings.

If you need something EAA and aviation related to while away the cold winter hours, here's a link to previously released Chapter Video Magazines (the current month will not be available at this site). These magazines cover a wide variety of topics, are well produced and entertaining. Enjoy!

- **TAX DEDUCTIBLE DONATIONS TO THE CHAPTER**
by Wayne Flury

If you purchase something for the chapter (that is, it becomes property of the chapter and is not just something you bring occasionally for the chapter to use at an event), you may claim this purchase as a tax-deductible donation to the chapter.

REMEMBER – EAA Chapter 878 is a 501(c)(3) organization and (currently) any donations you make to the chapter are tax deductible! Help the chapter and help your tax situation at the same time!!
