Chapter 938

News

Upcoming Events:

Nothing much, most things are currently in a holding pattern.....

Ford Tri-Motor July 9th – 12th

We will need volunteers for all days it is being hosted at Goshen Airport. If you would like to volunteer please let Rich Meyer or Olen Borkholder know and we will get a schedule put together, I have attached some posters in the email you can print (color only) and post to help advertise the event as well.

The Ford Tri-Motor operation requires a minimum of four volunteers per shift depending on the anticipated volume of business and the area to be monitored. Recommended shifts are 8AM to 12PM and 12 to 5:30PM. The volunteers assist with passenger loading/unloading, crowd control, and assistance with EAA ticketing and merchandise sales. All volunteers are required to review the online safety training video prior to the event:

<https://www.youtube.com/watch?v=1FQGgkk4YO4>

Projects:

- Arden Adamson – Pietenpol
- Byron Smith – Mini Max
- Paul Beachy – Falconaire/Jodel
- Norm Bontrager – Kolb
- Olen Borkholder – Hanger, Flightstars

Upcoming Birthdays:

- John Graber April 12th
- Arden Adamson April 12th
- Bob Unsicker April 25th

Minutes from last month:

Discussed the possibility of hosting the Tri-Motor, (we have officially achieved that and will host the Ford Tri-Motor at Goshen July 9th -12th and during the Goshen Airshow the 11th if we are let out of our homes by then). Norm shared about his dealings with Stewart Fabric and how he's impressed with their fabric and you can take 3 day classes in Wooster OH for \$350. Lloyd shared about his Kolb and the folding wings. Caps (Civial Air Patrol) shared what things they have going and that they would enjoy having some of us share during their meetings on Friday nights.
