From The President ...

Hi all,
November is elections at our Chapter 95 meeting. The terms up for election are President, Treasurer and three board members. I highly encourage anyone interested in filling a position to let me know so we can put you on the ballot. I am not seeking reelection so our chapter needs someone to step up and assume the President position.

Our November meeting will be on the 16th moved up to avoid any conflicts with the Thanksgiving Holiday. Nov. meeting is also a POTLUCK so please come an hour early @ 6:30pm and bring your favorite dish to pass. The chapter will provide the Meat and Water to drink.

Holiday Party Tickets are available now, see Jacque and get your tickets early for one of our chapter's favorite events of the year.

On December 7th, we will have a Pizza Party, Movie Night/Ugly Sweater Party, so plan to bring your favorite DVD Movie and we will have a vote as to which ones to watch.

I am looking forward to seeing everyone at the meeting on Friday.

Signing off now until next month;

Be Safe, Healthy & Happy,

Mark

Expenses: \$100.00 for Holiday Banquet Deposit

Young Eagles Fund: \$3,875.73

Available Funds: \$4,185.43

Old Business

10-7-18 Red Bull Air Racing at Indianapolis. Mark and Shelly Molle made the trip and had a great time. He reported the weather was 85 and sunny but on the drive back it rapidly turned into ugly, windy, and cold.

10-20-18 Chapter Dinner at White Fence Farm. 31 signed up but only 18 managed to attend on a really cold and windy evening. You can even split a plate there and still go home with some leftovers. Everyone who managed to make it had a good time!

1-19-19 Annual Holiday Banquet at Jacob Henry Mansion. Jacque has tickets available.

New Business

Moment of Silence for Bob Bushby. There will be a Memorial Service for Bob at a future date to be determined.

11-16-18 Pot Luck and Elections. Our next Chapter meeting will be a Pot Luck! The Chapter furnishes the meat and water

and the rest of us should bring a dish to pass. The meeting will start early at 6:30. We decided on Italian Beef to be furnished by the Chapter. Matt Trofimchuck will bring pop and plates from his hangar. Mark Molle will bring the Italian Beef and buns.

Nominations for President, Treasurer, and 3 Board Members:

Jacque Nawojski will run for one more term as Treasurer.

We need a volunteer to run for Chapter President.

Both Vice-President Brian DePung and Secretary Warren Roddy have one year left on their current terms.

Board members whose two year terms are expiring are: Larry Nawojski, John Limbach, and Matt Kwiatkowski. These three indicated they are willing to run for another 2-year term. Glenn Vokac volunteered to run the election at next months meeting.

12-7-18 will be our Pizza Party, Movie Night, and Ugly Sweater night at the Grundy County Farm Bureau.

Open Discussion:

John Limbach suggested we reserve the meeting room at the Grundy County Farm Bureau as soon as we know the dates for next year.

Tony Madonia brought a guest—John Ricchio(sp?). He earned his pilot's license in the early 80's and also served as a crew chief in C-130's; and his looking to get back into flying.

The Parking Lot Project at Morris Airport is done! There are now 80 parking spaces. Linda Roddy reported info from airport manager Jeff Vogen: the new car gates will be open during regular hours and pedestrian gates will always be

open. There will be one key card per hangar lease provided to get your car on the airport after hours.

Project Reports

Lee Brinley reports his Lancair ES-P “will be done next year”

Larry Nawojski is 90% done with 90% to go on his Zenith 750.

Jana Trofimchuck is waiting until spring to fly her repaired Kit Fox Lite

Matt Kwiatkowski is adding check valves to the smoke system on his Long EZ

PedalVenture 2019

Mark Molle received the following e-mail from Rob Peterson. Please check it out and consider joining in, it sounds like fun and I know there are quite a few pedal planes amongst our group.

EAA Chapter Presidents,

On behalf of US pedal plane builders, I am reaching out to Midwestern EAA chapters for help in setting a new (unofficial) world record for the largest parade of pedal powered airplanes during Oshkosh AirVenture 2019.

During AirVenture 2018, PedalVenture set a world record for a parade of 28 toy pedal powered airplanes. In September the United Kingdom YES Flyers (Youth & Education Support) topped our record with 31. Now, we are looking for EAA chapters and individuals who can help bring the record back to the US. Why are we doing this? Two reasons. 1) Think of it as a pre-Young Eagles event to get kids 3-7 years old interested in aviation. 2) Bragging rights, we can't let the Brits have all the fun.

We're asking that you please bring this up at your next EAA chapter meeting. If your chapter or any chapter members have a pedal powered toy airplane, you are invited to participate in PedalVenture on July 24, 2019 during AirVenture. If your plane has a young pilot, even better! If you have a plane but no young pilot, no problem. Kids attending the airshow can register free for a drawing to fill empty cockpits during the parade. If your chapter or someone you know can help us with our record attempt, please feel free to forward this email and contact Rob Peterson at robdtw@gmail.com so we can have an idea of attendance size.

Here is a link to the event on our facebook page “Pedal Planes” - <https://www.facebook.com/events/311922356269636/>

Thank you,

Rob Peterson
